Take the Credit!

Did you know?

Arizona law (A.R.S. 43-1089.01) allows Arizona State taxpayers to contribute up to \$200 (\$400 for married couples filing a joint return) to a public school and receive **dollar for dollar credit** on their state taxes. The tax credit is available for contributions, which are earmarked to support a qualifying extracurricular activity. Any taxpayer is eligible for the credit. You don't have to be a parent.

How does it work?

Just send a donation by check or money order to Harelson School, designated for our extracurricular program or to a specific extracurricular program. You may also specify that your donation is a fee to cover the cost of a specific child's participation in a specific activity. When you fill out your Arizona tax return, you can subtract the amount of your contribution (up to \$400 maximum) from what you owe in taxes for the year. It's not just a deduction; it's a credit.

It's like choosing how you want your tax dollars to be spent.

How does your contribution help Kids?

It helps students participate in our extracurricular programs, like sports, the arts, science, music, clubs and other activities that enrich their education and provide them with valuable life experiences. You can specify the program you want to help or let us apply your gift to one with need.

Don't Wait too long!

For you to be eligible to receive the credit for this year, we must receive your donation by the end of the year.
