**AMPHITHEATER SCHOOL DISTRICT
ELIGIBILITY RULES FOR INTERSCHOLASTIC PARTICIPATION**

The following are some of the more important eligibility rules that are set forth by the Amphitheater District and the Arizona Interscholastic Association (AIA) for its member schools. Failure to comply with these rules can cause an athlete to be declared ineligible and all contests in which the athlete participated in to be forfeited.

1. Domicile rule – The parent’s domicile is defined as the place where a person has his/her true, fixed and permanent home and to which, whenever absent, he or she has the intention of returning. A student shall have only one domicile for the purpose of athletic eligibility.

All students who wish to participate in athletics must have a parent or court appointed legal guardian domiciled in the _____ attendance zone.

A student who has a court appointed legal guardian must have the guardianship approved by the Arizona Interscholastic Association (AIA) prior to participation (see the Athletic Director).

Any exception to the domicile requirement must be approved by the Athletic Office and the AIA prior to participation. (Please make an appointment to discuss your individual situation.)

2. A student is privileged with eligibility for 4 consecutive seasons in each sport or activity and for 8 consecutive semesters after he or she enrolls in the 9th grade (including 9th grade year).
3. A student who is a member of a high school team shall not compete in any other organization in the same sport during the interscholastic season of competition.
4. If a student becomes 19 years of age after September 1st, he or she is eligible to compete for the remainder of that school year if all other qualifications are met.
5. **ACADEMIC ELIGIBILITY** – Each student must be enrolled in at least five classes to maintain eligibility. Seniors with 16 or more credits and on track to graduate may be enrolled in four classes to maintain eligibility.
 - Nine-Week Grades – Students who receive a nine-week grade of “I”, “F”, “NC”, “NM”, “U” or a Grade Point Average of less than a 2.0, will be ineligible for at least four and one-half weeks. A student’s eligibility may not be reinstated prior to the Tuesday of the fifth week. **(Please review the schedule of eligibility reinstatement dates with your administrator).**
 - Students may use summer school to regain eligibility for Fall participation if they meet the established criteria. **You MUST see your administrator in charge of interscholastic participation prior to enrolling in summer school for eligibility requirements.**
6. Amphitheater District has a zero tolerance drug philosophy. Any interscholastic participant who uses/possesses or transfers alcohol or drugs **at any time during the season**, will be immediately removed from their team for the entire season.
7. All participants must have passed ALL previous semester’s classes. Students may tryout and practice in an activity but cannot compete until academic eligibility is restored. (Refer to Rule 5 above.)
8. Students **MUST** attend all classes on the day of practice or competition. **Exceptions** must be cleared through the Athletic/Activities Office prior to the absence. Violation of this rule will result in a period of ineligibility of no less than one competition.
9. All senior participants must have taken all sections of the AIMS Test, prior to being eligible to compete during their 7th and 8th semester of high school.
10. Each student participant will pay a \$25.00 participation fee for each sport/activity in which he/she competes. This fee is **non-refundable** after the first contest.

11. Before a participant can **TRYOUT OR PRACTICE** he/she must have on file:
 - a) Completed **Physical Evaluation Form and Physical Examination Form**
 - b) Signed Consent for **Interscholastic Participation Form and Emergency Information**
 - c) Copy of **birth certificate** (1st time participants only)
 - d) Copy of **last semester report card** (incoming 9th graders only)
 - e) Signed **Acknowledgement of Rules and Terms** for Interscholastic Participation Form
 - f) Paid **Participation Fee**
12. Amphitheater District does not provide medical insurance coverage for students who are involved in interscholastic sports. The parent(s)/guardian(s) are responsible for all medical costs due to any injury that may occur during normal practice or actual competition.
13. If any student is injured they should see the Athletic Trainer as soon as possible. The Trainer will assess the injury and may make specific recommendations. Prior to returning to practice or competition an injured athlete must be cleared by the Athletic Trainer.
14. Students involved in athletics will be issued school equipment. All equipment is numbered and **STUDENTS MUST RETURN THE EXACT EQUIPMENT THEY WERE ISSUED TO AVOID HAVING TO PAY FOR ITS REPLACEMENT. EQUIPMENT/UNIFORM LAUNDRY DIRECTIONS SHOULD BE CAREFULLY FOLLOWED.** Damage from improper laundering of equipment is the responsibility of the student. If the equipment is not returned within 10 school days following the end of the sport season (whether lost or stolen) you will be automatically charged full replacement value for the equipment. **Amphitheater District is not responsible for any items or valuables in locker-rooms/lockers.**
15. Athletic equipment is not to be worn for personal use. If an athlete is wearing school issued equipment for non-game activities, the equipment will be confiscated.
16. Athletes who are ejected from any contest are ineligible for the remainder of the contest and the next scheduled contest. Students ejected for a second time are ineligible for the next two contests. A third ejection will result in the student becoming ineligible for the remainder of the sport season. Athletes who are involved in altercations or disruptions of any kind before or after the contest may be subject to a two-game contest suspension.
17. Athletes who quit an athletic team during the sport season may not tryout for another sport in the same season, and may not tryout for another sport until after the season of competition is over for the sport he/she quits. Exception is a written waiver from the Head Coach from the sport from which he/she quits.
18. All students will travel to events on district transportation and will abide by all district bus rules and regulations.
19. Participation in off-season fundraising does not guarantee a spot on the roster or playing time. Participation in off-season camps does not guarantee a spot on the roster or playing time. There will be no individual refunds on any funds raised. All funds go into the team account.
20. The coaching staff in each sport establishes letter awards criteria.

INTERSCHOLASTIC PARTICIPANT CODE OF CONDUCT

Participation in interscholastics is a privilege. Interscholastic participants **EARN** the privilege to participate by adhering to high standards of personal conduct and ethical behavior as found within the six core principles of sportsmanship; **Trustworthiness, Respect, Responsibility, Fairness, Caring, and Good Citizenship**. These standards are intended to exemplify good character traits and are rationally related to the educational process. “Students **SHOULD** be aware that their personal conduct and attitude **MUST** reflect high standards of respect, behavior, and loyalty.” Interscholastic participants are given **UNIQUE** opportunities. Therefore, they have a **REQUIRED** responsibility to themselves, their team, school, and community.

It is the **RESPONSIBILITY** of the interscholastic participants and his/her parent(s)/guardian(s) to be familiar with the standards of student participation conduct, residency requirements, Amphitheater, Region/Conference/League, AIA eligibility and school guidelines.

A student/athlete or his or her parent(s) may obtain an explanation of any part of the Student/Athlete’s Code of Conduct from a coach, the school’s athletic director, or the school district’s athletic administrative office.

I, the student/athlete, acknowledge that I have read the terms of this Code of Conduct. I agree to conduct myself according to the terms of this Code of Conduct. I also understand and agree that if I **CHOOSE** to violate any of the terms of the Code of Conduct, my **CURRENT** or **FUTURE** participation in interscholastic athletics may be limited or terminated in addition to penalties or consequences that may result or be imposed for the violation under Amphitheater School District rules and policies.

PARENT/GUARDIAN CODE OF CONDUCT

The essential elements of character building and ethics in athletics are embodied in the concept of sportsmanship and six core principles: **Trustworthiness, Respect, Responsibility, Fairness, Caring and Good Citizenship**. The highest potential of athletics is achieved when competition reflects these **“Six Pillars of Character.”**

I understand that the District rules and consequences regarding drugs and alcohol apply to my student-athlete at ALL times during the season of participation, whether he/she is at a school function, away from school with friends or by him/herself. (See page 2, #6).

It is the policy of the Amphitheater Public Schools Interscholastic Department that grievances should not be addressed during or immediately after any practice or athletic contest. If a situation arises where a parent or guardian wishes to meet with a coach or address a specific issue or complaint, the following steps should be followed: (1) request a meeting at school with the coach; (2) if the problem is unresolved, arrange an appointment with the school’s Athletic Director.

AMPHITHEATER PUBLIC SCHOOLS
Sportsmanship/Communication

Over the years, the Amphitheater Public School District has developed one of the states richest interscholastic traditions. Our interscholastic participants are known for their determination, hard work, and competitiveness. Many of our teams have been recognized at the local, state, and national level for their outstanding achievements.

Interscholastic activities play an integral part of a students' overall educational experience. The Amphitheater Public School District has taken great pride in producing a quality educational experience and a ... **"Tradition of Interscholastic Excellence."**

The National Federation of State High School Associations (NFHS), the Arizona Interscholastic Association (AIA), and Amphitheater Public Schools believe that co-curricular activities promote citizenship and sportsmanship. They instill a sense of pride in community, teach lifelong lessons of teamwork and self-discipline, and facilitate the physical and emotional development of our student-athletes.

As an educational institution, our school is committed to teaching our young people to set goals, strive for excellence, and to properly handle whatever adversity they encounter along the way. This aim is the same both in the classroom and on the playing field.

The greatest challenge to good sportsmanship is adversity. When things are not going well, it is easy to blame others rather than ourselves. When this is done, the focus shifts from a positive "play hard" attitude to a negative "woe is me!" We believe it is important for our students to maintain a positive approach to handling adversity. We need the support of our parents as role models if we are to accomplish this.

Parent/Coach Relationship

We are pleased that you and your child have chosen to be involved in the interscholastic program at your school. Our goal is to provide a positive experience for all involved. Open communication is the most important factor contributing to this goal. By developing these communication lines, we will be able to resolve questions before they become conflicts.

As a parent/guardian you have a right to know what expectations are placed on your child. The following is designed to spell out all levels of communication so that parents, coaches, and athletes are aware of the steps they have available to resolve anything they think is or might become an issue:

Communication you should expect from your child's coach

1. Philosophy of the coach
2. Coaches' expectations for your child, as well as the players on the team
3. Team requirements, i.e. fees, special equipment, off-season conditioning
4. Location and times of all practices and contests
5. Discipline that results in the denial of your child's participation

Communication coaches expect from parents

1. Concerns expressed directly to the coach
2. Notification of any schedule conflict well in advance
3. Specific concerns regarding a coach's philosophy and/or expectations

The interscholastic activity experience may offer some of the most rewarding moments of a student's life. However, it is important to remember that there may be times when things will not go the way that you or your child wishes.

Appropriate concerns to discuss with coaches

1. The treatment of your child, mentally and physically
2. Ways to help your child improve
3. Concerns about your child's behavior

It is difficult to accept that your child may not play as much as you hope. Coaches are professionals. They make judgment decisions based on what they believe to be the best for all students involved. As you have seen from the list above, certain issues can and should be discussed with your child's coach.

Issues NOT appropriate to discuss with coaches

1. Playing time
2. Team strategy
3. Play calling
4. Other student-athletes

There are situations that may require a conference between coaches and a parent. It is important that both parties involved have a clear understanding of the other's position. When these conferences are necessary, the following procedures should be followed to help promote a resolution to the issue of concern.

If you have a concern to discuss with a coach, follow this procedure:

1. Call the coach to set up an appointment.
2. If the coach cannot be reached, call the school office.
3. Please do not attempt to confront a coach before or after a contest or practice. These can be emotional times for both the parent and the coach. Meetings of this nature usually do not promote resolution.

What can a parent do if the meeting with the coach did not provide a satisfactory resolution?

1. Call and set up an appointment with the athletic director to discuss the situation.
2. At this meeting, the appropriate next step can be determined.

Research indicates that a student involved in co-curricular activities has a greater chance of success during adulthood. Many of the character traits required to be a successful participant are exactly those that will promote a successful life after high school. We hope the information provided will make both your child's and your experience with the Amphitheater Interscholastic Program less stressful and more enjoyable.

AIA POSITION STATEMENT

SUPPLEMENTS, DRUGS AND PERFORMANCE ENHANCING SUBSTANCES

PURPOSE OF FORM: All AIA Member schools are required to **ANNUALLY** communicate this AIA Position Statement on the use of supplements, drugs and performance enhancing substances to every participant in interscholastic activities. (See Article 14, Section 14.13.2)

The Arizona Interscholastic Association (AIA) views sport, and the participation of student-athletes in sport, as an activity that enhances the student-athlete's well-being by providing an environment and stimulus that promotes growth and development along a healthy and ethically based path.

- It is the position of the AIA that a balanced diet, providing sufficient calories, is optimal for meeting the nutritional needs of the growing student-athlete.
- It is the position of the AIA that nutritional supplements are rarely, if ever, needed to replace a healthy diet.
- Nutritional supplement use for specific medical conditions may be given individual consideration.
- The AIA is strongly opposed to “doping”, defined as those substances and procedures listed on the World Anti Doping Agency's Prohibited List (www.wada-ama.org).
- It is the position of the AIA that there is no place for the use of recreational drugs, alcohol or tobacco in the lifestyle of the student-athlete. The legal consequences for the use of these products by a student-athlete are supported by the AIA.

In pursuit of **Victory with Honor**, the AIA promotes the use of exercise and sport as a mechanism to establish current fitness and long-term healthy lifestyle behaviors. It is the position of the AIA that the student-athlete, who consumes a balanced diet, practices sport frequently and consistently, and perseveres in the face of challenges, can meet these goals.
