

## **HARDWARE SPECIFICATIONS**

The ONLY technology equipment that is approved for purchase is listed on our [Technology Price Sheets Web Pages](#). The IT Department authorizes, networks, repairs and services only those products listed on our Web Pages. If a school or department receives a networkable product that is unauthorized, please be aware that it will not be allowed on the network or supported in any way.

The following is a list of authorized equipment:

**Donations:** Amphitheater School District appreciates the kindness that the community demonstrates in donating technology equipment to our schools. Unfortunately, used technology equipment creates additional support and fiscal issues. **Current District resources do not allow for support of donated used equipment.**

Schools or departments may accept donated new equipment with prior approval from the Executive Director of Technology only if the donation meets the exact specifications as listed on the Technology Price Sheets webpage. In addition:

- A donated piece of equipment must be needed and usable at the site.
- Principals or designated staff at site will be responsible for completing donation form and processing.
- It is the responsibility of the school or department to provide proof of ownership for all software on the computer including the operating system.
