

IRONWOOD RIDGE HIGH SCHOOL

The Parent Portal provides access to your child's class progress (overall current grades), assignments (individual assignment grades), attendance, and other important information.

The Parent Portal should allow you to see the above information for all of your children enrolled in the Amphitheater Public Schools. However, because Ironwood Ridge High School is one of the first schools to open the Parent Portal, information regarding your children attending other Amphitheater Schools may not be available at this time.

The Parent Portal works best when using the Internet Explorer browser. The Mozilla Firefox browser is also compatible with the Parent Portal.

The Parent Portal must be accessed from a laptop or desktop computer; it is not available from mobile devices such as smart phones and tablets at this time.

To access the Parent Portal, enter your username and password at:

<https://sisportal.amphi10.org>

Technical questions regarding the Parent Portal such as recovering a password or creating an account should be directed to the IRHS Computer Systems Operator, Yolanda Lazos, at ylazos@amphi.com or 520.696.3913.

Questions regarding your child's academic progress should be directed to your child's teacher(s). Your child's counselor can also be an important resource. Faculty email and phone numbers can be found at the "Ironwood Staff" link on the IRHS homepage: <http://www.amphi.com/schools/irhs/ironwood-staff.aspx>.

Other questions should be directed to Assistant Principal Michael Szolowicz at mszolowicz@amphi.com or 520.696.4011.
