

# IRONWOOD RIDGE HIGH SCHOOL

## **Tutoring:**

Ironwood Ridge High School is pleased to offer two approaches to after-school tutoring:

1. *Drop-In Tutoring* is available in several subjects each day, Monday thru Thursday, in the Library. Drop-in tutoring is for students who have questions such as:
  - a. How to work a particular math problem or
  - b. To quietly utilize the library resources for independent research or
  - c. To meet with a study group
2. *Workshops* are offered to address specific needs common to a group of students. Workshops are sometimes offered in a teacher's classroom; be sure to carefully check the workshop's location.

Students can also visit their teachers during Conference Period most Tuesdays and Wednesdays from 8:15 to 8:55 a.m. for additional tutoring opportunities.

Further information about specific workshops can be found by emailing the teacher or Assistant Principal Michael Szolowicz ([mszolowicz@amphi.com](mailto:mszolowicz@amphi.com)).

Tutoring runs from 3:45 to 5:15 p.m.

AIMS Tutoring runs from 3:45 to 5:45 p.m.

While attending tutoring, students are expected to engage in academic work and behave with the same expectations one would find in a regular library or classroom setting.

Students are responsible for their own transportation home.

There is an activity bus that leaves from the Student, or West Side, Parking Lot at 5:45 p.m. A schedule of the activity bus stops can be found at:
