Dear Colleagues:

As you know, the Governing Board is in the process of selecting a new superintendent for our District. We expect the timeline to allow a selection in May so that the candidate can assume the position on July 1st.

During the past few weeks we have had three (3) forums to allow the opportunity for you to provide input related to the qualities you hope for in Amphitheater's new leader. That information was utilized by the Board to create a position announcement and brochure which will now be advertised by the Arizona School Boards Association (ASBA).

After the position announcement closes, the Governing Board will be screening the applications and selecting candidates to move to the interview process. As these Governing Board conducted interviews occur, there will be opportunities for you to attend additional forums where you can meet the candidates, ask questions, and provide input to the Board.

We look forward to having you continue taking an active role in this process to help us all ensure that our new superintendent represents our needs as a District. On behalf of the entire Governing Board, again, thank you for your service to Amphitheater.

Sincerely,

Diana L. Boros, President
Amphitheater Governing Board
