

December Chant

By Sandy Tuttle

De-cem-ber X, De-cem-ber X (recite twice)

December is sensational!

Smells of Christmas in the air.

Candles burning by the pair.

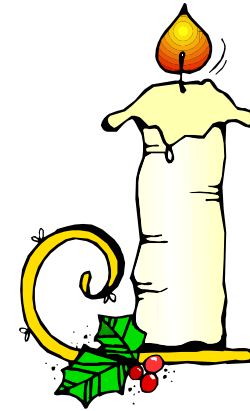

Gingerbread, pine, peppermints,

Lots of lovely Christmas scents.

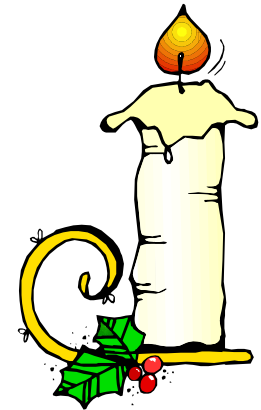

Taste the ginger, sample the mint,
Lick the frosting - colored a Christmas tint.

Touch the needles on the tree,
Hug your friends for you and me.

Bells a-ringing,
People singing,
Listen to the drummer pound,
Aren't these all such joyful sounds?

What a sight on Christmas morn -
Presents that will soon be torn!
Stockings filled with all sorts of things,
That dear old Santa chose to bring.

De-cem-ber **X**, De-cem-ber **X** (recite twice)

December is sensational!
