

February Chant

by Sandy Tuttle

The shortest month of the year -
Let's all say the February cheer.

Feb - ru - ar - y (chant 4 times, while clapping for each letter).

The 2nd of February is Groundhog Day
In Punxsutawney, PA.

If his shadow happens to show,

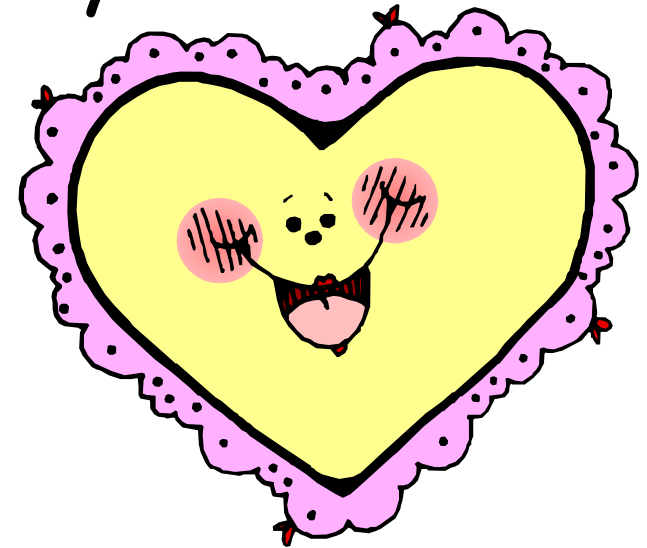

Six more weeks of snow, snow, snow!

The 14th of February is Valentine's Day.

Cards and candies are the way

To show others that you care.

Send a message, if you dare.

Lincoln and Washington - great men of the past.

Their memories will always last.

President's Day we celebrate

To honor two men, who were so great!

Feb - ru - ar - y (chant 4 times, while clapping for each letter).
