

January Chant

By Sandy Tuttle

Jan **u** ar **y** Jan **u** ar **y** (clap on red letters) - say 2x

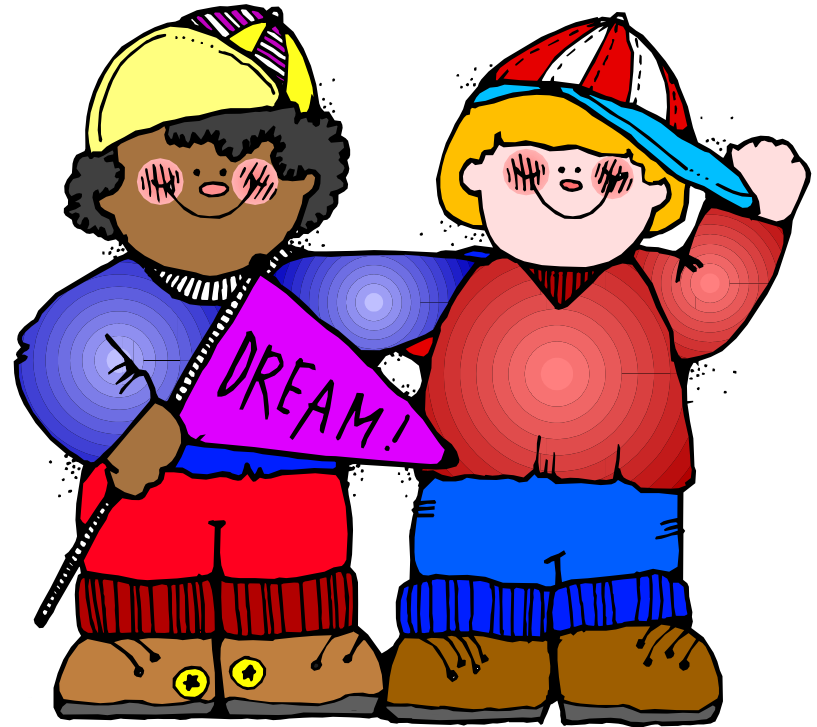

January - let us peer,
Into the first month of the year.

Back in 1963,
King had a dream.
That everyone be treated equally,

And live in harmony.

Now in the year 2003,
Let's strive to do our best.
To treat others fairly -
As if they were our guests!

A new year has begun.
Resolutions have been made.
Let's live each day - one by one.

And not let our visions fade.

Jan u ar y Jan u ar y (clap on red letters) - say 2x

A new year begins!
Hooray!
