

Module 102

ELLs At A Glance

Listening

(Using the ELLs' listening proficiency as a guide, list the modifications and accommodations that will be used during lesson delivery in order to provide comprehensible input.)

Speaking

(Using the ELLs' speaking proficiency as a guide, list modifications and accommodations for asking and answering questions, social or cooperative learning experiences and oral presentations.)

Writing

(Using the ELLs' writing proficiency as a guide, list modifications and accommodations for length and substance of writing assignments and assessments that use the writing process, e.g. essay tests, reports.)

Reading

(Using the ELLs' reading proficiency as a guide, list the modifications and accommodations that will be provided for reading instruction or assignments and for assessments that necessitate reading skills.)
