PARENT INFORMATION

Veteran's Day—NO SCHOOL

Wednesday, November 11th

We still have a few Entertainment Books left at the low price of \$30 available in the Office.

Don't forget the Used Book Sale THIS Saturday, 11/7 from 8:30—3:00 during the Artisan and Craft Café

Many thanks to our wonderful PTO for all of their hard work! Our Hoe Down was a terrific success! Many hours of hard work go into events like this and we appreciate all the effort of our PTO members and volunteers.

THANK YOU!!!!

Art Wish List.....

Art Club has started! The Art Room always needs household items and recyclable products. This year we need yarn, aluminum foil, paper plates and bowls, scrap wood, empty cereal boxes and glue sticks. We also like any old craft items that people no longer have use for.

Thank you! Mrs. Kashanipour

OUR LOST & FOUND IS OVER FLOWING!!

If your student is missing a lunch box, jacket, water bottle or other item, please come by and check the Lost & Found. There are many, many items that have not been claimed. All unclaimed items that are not marked with a name will be donated to the Amphi Clothing Bank on Wednesday, 11/25.

A FEW REMINDERS FROM THE HEALTH OFFICE.....

Please be careful not to wear body washes or colognes with a strong scent as we have highly allergic children and staff that can get very ill when these are inhaled.

Please keep your children home if they are displaying any signs of influenza (fever, sore throat, body aches, vomiting). Cough drops are allowed at school but must be held in the health office. Bring in an unopened package of drops and we can fill out the proper paperwork. Children may not have any medication except authorized inhalers on their person.

If you are a parent in need of help (or know of one who does need help) this holiday season through our Adopt-a-Family program, please contact Suzi in the Health Office at 696-3850. All families and any information that is given is confidential.

This holiday season we will do things differently with the Adopt-a-Family program in that we will have a child's needs and want on a snowflake in the front office for you to pick up. Any donations are welcome to help with this program. Again, all names are confidential.

Thanks, Suzi

From the Library.....

The Adopt a Book program has made a wonderful start! To those of you that have adopted books for the library, thank you! They are all ready to go out on the shelves, but I want each student to see them first! If you are not familiar with the Adopt a Book program, please see my web site:

<http://www.amphi.com/users/ealthouse/home.html> for more information!

Entertainment Books are still available through the library, and there is some exciting news! Entertainment Books are now \$30.00 instead of \$35.00. If you are interested in an Entertainment Book, you may send cash or check (made payable to Painted Sky Library) and an Entertainment Book will be sent home with your child. They will also be available in the front office, or in the library! These make great gift ideas for college students, or anyone that likes to save a little money! They will be available until November 24th.

Copies of the Bear Essential News are located in the library. If you are interested, you may stop by to pick them up or ask your child to get one when they come to the library!

This year I would like to begin a storybook holiday tree—using only storybook characters. If you happen to have any ornaments that you no longer want—and they are storybook related—please remember the library. We would love any donations. Also, if you are crafty and you and your child/children would like to make or draw picture ornaments, that would be great! You can always use a clothespin attached to the back to use as the hook! Thank you!

As always, the library will gladly accept donations of tissues, baby wipes and hand sanitizer!

Twenty minutes a day reading with or to your child is priceless!

Eileen Althouse, Librarian
