

# **ATTENDANCE MATTERS!**

less in a school year.

### ON TRACK

Absent 4-8 days in a school year.

#### **WARNING**

Absent 9-17 days in a school year.

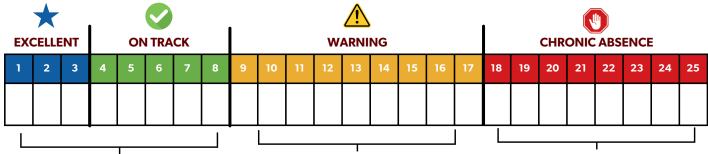

CHRONIC ABSENCE

Absent 18+ days.

Every day a student is in school is an opportunity to learn, build relationships and get the support they need.

## **ATTENDANCE TRACKER**

Write an "X" or the date every time your student misses school (excused or unexcused).

Students typically achieve at high levels, feel connected to their school communities and maintain friendships.

10 11 12 13 14

17 18 19 20 21

24 25 26 27 28

Students may see a drop in grades, an increase in stress with the struggle to keep up with work and greater isolation or disconnection. Students fall behind, grades decline, friendships suffer. Dropout rates rise for students who miss 18 or more days.

 If you are having trouble getting your child to school for any reason, ask

Contact the health office if you aren't

your principal for assistance.

sure whether to keep your child home for health reasons.
