

# AMPHITHEATER HIGH SCHOOL

Title 1 Program Information

# TITLE 1 PROGRAM INTENT AND PURPOSE

- Our school has been allocated \$519,711.56 in federal Title I funds for use during this school year

These funds are given to schools with the specific purposes of:

- 1.Ensuring that all students receive a high-quality education from appropriately certified, effective, well-trained staff using evidence-based instructional methods.
- 2.Supporting struggling learners with additional resources and help in math and English Language Arts (ELA).
- 3.Educating and training families so that they may better support their students to achieve at high academic levels.

# COMPREHENSIVE NEEDS ASSESSMENT (CNA)

- Our school leadership team completed a Comprehensive Needs Assessment to determine the following goals for the 2022-2023 school year:

**Goal 1:** Teachers will have intentional collaborative time to align standards. Teachers will then ensure that standards-based instruction is occurring across all content areas with fidelity.

**Goal 2:** Teachers and students will develop and implement a SEL plan. The process will include PD and collaboration time for teachers.

**Goal 3:** Our school will provide accurate and updated data on all platforms so families can easily access data in order to make decisions that impact student learning.

# INTEGRATED ACTION PLAN (IAP)

After completing the CNA, the Leadership Team developed goals and determined to direct Title I funds in these areas:

- AVID school wide: The AVID team will oversee school wide implementation of this program.
- Students will have access to academic programs such as Cambridge, AP, dual enrollment and funds will be used to help students access assessments.
- Professional Development will be provided to ensure teachers have an understanding of AVID and Personalized Competency Based Learning.

# INTEGRATED ACTION PLAN (IAP)

- Provide supplemental math and ELA instruction with appropriately certified teachers and tutors.
- Provide technology and equipment to provide students with access to instructional materials to enhance their academic experience.
- Provide a college advisor to work full-time with students to provide guidance and support for the development of college and career readiness and skills necessary to be successful post-secondary.
- Provide post-secondary experiences for students by using supplemental funds to pay for students' fees, field trips, and college visits.
- Students will be provided the opportunity to experience academic content outside of the normal school setting.
