

COHORT #1 NOTIFICATION 9.25.20
(sent via email and US Postal Service)
SAMPLE COMMUNICATION PROVIDED BELOW

Dear Dorado Family Member,

Amphitheater Public Schools will be returning to in-person instruction on October 12, 2020 using a “hybrid” model. This model will allow us to bring approximately half of the students to campus on Monday and Thursday for Cohort #1 and the other half of the students on Tuesday and Friday for Cohort #2. This will enhance our ability to provide space for social distancing.

Your student has been assigned to COHORT #1. Individual letters with student’s names have also been mailed to each family and should arrive in the next few days.

COHORT #1 will attend school on the regular school schedule from 8:25 am to 3:30 pm, in person, for the full day on Monday and Thursday.

Students will have assignments from their teacher(s) on Google Classroom, and regular assignments for the remaining three days of the week. Live ZOOM lessons may be provided on Wednesday to connect the class together as a whole group.

All students and staff will wear masks per State and local requirements.

COVID-19 is extremely contagious and is believed to spread mainly from person-to-person contact. As the World Health Organization, as well as the federal, state and local health departments continue to study COVID-19 throughout this global pandemic, their guidance about appropriate protective measures for limiting the spread evolves. The District has protective measures in place to reduce the spread of COVID-19, but it is impossible to prevent every potential for transmission. Your child’s physical attendance at school, where other students and staff are present, inherently increases the risk that your child, you, and/or your household members will contract COVID-19, notwithstanding any precautions taken by the District or school.

Therefore, we are providing the attached information about COVID-19 so that you clearly understand the risks associated with the virus. Please sign the attached paperwork and return it with your student on their first day of in-person learning.

Thank you for your continued patience as we navigate 2020 and all that this year has delivered to us. Please be on the lookout for a detailed email next week that will include CDO’s hybrid bell schedule, campus map with a flow of traffic, entry and exit points, health and safety protocols, and more. This will also be posted on CDO’s website at www.amphi.com/CDO. Please visit the “October 12th Hybrid Learning Resource Page” for continued updates and information. You will also be receiving this email in the form of a letter through U.S. mail very soon.

In partnership,

Tara Bulleigh, Principal
Canyon del Oro High School
