

Good evening Dorado Families. I hope that this email finds you well. I am reaching out to make sure that you are aware of our change of date as it relates to returning to Hybrid Instruction.

This afternoon, Superintendent Jaeger sent out communication regarding our tentative February 1<sup>st</sup> date for the return to Hybrid Instruction. I have attached his letter to this email in case you have not had a chance to read it, or did not receive it. As you will see, based on our current metrics, the Arizona Department of Health Services has recommended that schools in every county remain in virtual instruction for now. I, again, know how difficult this decision has been for our school district as our goal is to safely return to in-person instruction as soon as possible.

Based on the projections, we will continue to be in **remote instruction until February 15<sup>th</sup>**.

Monday marks the 100<sup>th</sup> day of this school year and we hope that all of our students will attend on Monday to have a chance at winning a \$100 gift card. We hope that all of our students attend every day, but we wanted to have a little fun with them and hopefully provide a little inspiration in such a tough time.

Please continue to take care of each other. It is only through our commitment to keep each other safe that we will finally be able to get through all of this. We miss your students and love seeing all of their faces in their Zoom classes, as physically distant as they may be. Our attendance and engagement has improved this semester and we want to thank all of you, and your students, for your hard work and dedication to learning.

In partnership,

Tara Bulleigh, Principal

Canyon del Oro High School

*An International Baccalaureate World School*
