

Dorado Family Updates 11.20.20
(sent out via email)

Happy Friday Dorado Families! As we head into Thanksgiving week next week, we wanted to leave you with some well-wishes and reminders.

DORADO PRIDE

- We want to thank you for all that you have been doing to support your student and our Dorado community during this difficult time.
- Our faculty and staff are working tirelessly to provide the best learning experience possible, in the safest way. They appreciate your support at home during this time as well.
- Your students have been doing a great job at keeping our community safe with **mask wearing, social distancing and hand washing**.
- Please remember that when we say “Dorado Pride”, it also means **taking pride in keeping our community safe**.
- We are also asking you to continue to keep our Dorado community safe during this holiday season. The Arizona Department of Health Services released the following recommendations to ensure a safe holiday:

THANKSGIVING MENU
to Ensure a Safe Holiday

The recommendations below will make for a safer celebration this year. Picking even one will increase your safety. The more you choose, the more you will reduce the risk of spreading COVID-19.

Recommendations

- Celebrate outside** in your yard or at a local park.
- Minimize the number of guests**, especially those at high risk.
- Physically distance when you can**. Only touch or hug those in your immediate household.
- Wear masks** if your gathering includes guests from outside your household.
- Celebrate together with your quarantine pod**. You can use a tablet and virtual meeting programs to bring family and friends together without exposing one another.
- Wash your hands** before and after preparing, serving and eating food.
- Use hand sanitizer**. Get in the gift giving spirit early and provide your guests with their own travel size hand sanitizer.
- Avoid self-serve or buffets**. If sharing food, have one person serve food and use single-use options, like plastic utensils.

FINAL EXAMS

Our final exam schedule is attached to this email as well. We will be running finals during the week of December 14th through the 17th.

CONNECTIONS

We know that what we are dealing with in the world right now is incredibly difficult not only for the adults that are trying to keep things going, but also for the kids that are trying to navigate it. Please give your kiddo an extra hug tonight because during a pandemic, what we struggle with the most, is making those close connections that every human being needs to thrive. So, because it is safe to do so in your own home, and because we are so grateful for what we have, keep finding ways to create your own connections at home. We all need them!

From our family to yours, please have a wonderful Thanksgiving, stay healthy and remember that we are all in this together!
