As part of the Amphitheater School District, Canyon Del Oro was founded as a public, comprehensive 9-12 high school in 1964 and is accredited by the Arizona Department of Education. Established neighborhoods, plus commercial and business development, characterize the community. Constituents include low-average to a greater percentage of middle and high income families from business and professional backgrounds. Canyon Del Oro also serves the small rural community of Oracle, Arizona. Canyon Del Oro has a rich history of academic success and is proud to offer both the International Baccalaureate Diploma Programme as well as a broad Advanced Placement program. Additionally, Canyon Del Oro offers a full complement of JTED programs, Fine Arts, Modern Languages, Athletics, and Clubs for our students. The current enrollment is 1755 students. Of those 1755 students, approximately 40% are here under open enrollment. These students have open enrolled from other schools within the district, as well as from other local area schools. Approximately 18% of our students are on the free-reduced lunch program. The staff consists of 79 certified teachers, 4 counselors, and 4 administrators.

## Curriculum

Canyon Del Oro High School offers a comprehensive curriculum. We are on a standard high school schedule where classes meet five days per week for a total of 300 minutes each week. Program options range from special education and general courses to advanced, accelerated, honors, AP and IB courses. Capable students may begin earning high school credit in middle school through an accelerated program in mathematics and/or foreign language. In addition to the IB and AP courses listed below, CDO also offers Honors/Pre-AP courses in the curriculum areas of English, Science, Foreign Language, Internship, and Academic Decathlon.

## International Baccalaureate World School
