

High School Swim Team

IRONWOOD RIDGE

Swimming is a great way to get involved in high school athletics. Swimmers must be able to swim 100 yards non-stop and have a positive attitude. Practices are held Monday – Friday and some Saturdays. Swim meets are Thursdays. (Schedule will be available by early August.) Gear for practice can be checked out through school. Swimmers are responsible for practice/competition suits and for goggles. Competition suit pattern will be announced at the beginning of season meetings. Spirit wear will be available for purchase.
