Fees

Attached you will find the directions for paying class/school fees. Please use these instructions to complete the process.

While class fees are used to buy supplies for students use in class, this year we have used those fees to buy “supplies” that support the current circumstances. These items are not something physical, but electronic; for example, the Gizmos program that science teachers use. If your family needs help with fees, please reach Rebecca Aguirre at raguirre@amphi.com.

Library Book Check Out

Many students have continued to check out library materials through an online reservation process. We wanted to make you aware of this option as well. Please view the attachment to learn how to reserve library books.

CDO Information
