

Good Afternoon Cross Rams,

The start of school is just around the corner. Here are some tips to help make next week a little easier to manage.

### **Google Login**

1. Go to <https://classroom.google.com/>.
2. Sign into your Google Account:
  - Enter your student ID number followed by @student.amphi.com.
  - Enter your password. The default password is your first name - legal name with the first letter capitalized. If you changed your password and do not remember it, please EMAIL [cgutierrez@amphi.com](mailto:cgutierrez@amphi.com) or [cboknevitiz@amphi.com](mailto:cboknevitiz@amphi.com).
    - Include the Last Name, First Name of your child
3. Attached are few good resources to print out and put on the fridge or in your student's workspace

Most of the communication regarding instruction/ZOOM links will occur directly in Google Classroom. Currently teachers have been uploading students into Google Classroom so you may not have to join classes at all. Just in case the teachers will include the classroom codes in their initial letter to you

### **Upcoming Communication from Teachers**

Starting tomorrow, you will receive letters from each teacher. These letters will provide critical information for each class. We know that it will be a lot of information to process as once, think of it as the 1<sup>st</sup> day of school and Open House all included in one communication. Just as you would normally do with an initial syllabus/letter, I would read them carefully and then either print or file them electronically for future reading. They are a great resource if you need clarification on a specific class. Thank you for partnering us in such an unprecedented start to the school year.

### **Expectations for Monday**

Students are expected to be present in each of their classes on the 1<sup>st</sup> day(**1<sup>st</sup> Period begins at 8:35 a.m.**), and be ready to learn. we are excited that you chose to stay with Cross! Instructions for accessing Google Classroom and Zoom will be in each teachers letter. A short tip sheet is also attached. Here are some great ways to be ready for Monday. Let's start some great habits for the upcoming year.

- Login to your google account and visit each teacher's Google Classroom.
- Create a quiet comfortable physical learning space so that you can be engaged in learning.
- Charge your device.
- Set an alarm.
- Bring a great attitude to class, your teachers have been working hard to be ready for you.

See you next week!

Mr. Gutierrez
