FAQ's

- 1. My password is not working. What is wrong? The program is set up to match student's last names as they are listed on their registration forms. This means that if your student has 2 last names, or a hyphen between them, etc. they need to be entered that way. With or without spaces, both last names (if applicable) capitalized, etc.
- **2.** Grandparents want to help pay for the fees; can they do that? Yes. They will need to be given the login information and proceed from there.
- **3.** Can I pay for my students fees through a tax credit donation? Unfortunately, not. They are meant to supplement extracurricular activities, like athletics, student clubs, filed trips, etc. "A fee is a dollar amount paid directly to a public school for the support of extracurricular activities."
- **4.** I am having a different issue that is not listed on here. Who can I talk to? If you need additional help, please call the school at 696-5920.
