

# How to access your child's virtual classroom through Hello ID

**In order to access your child's virtual classroom you need to know your child's 300 number. Don't know your child's log in? Where do I find my child's log in information?**

Today, you received an email to access the Tyler Parent Portal. The email includes how YOU, as a parent, logs in to the parent portal. If you log in, you will see your child's information, attendance records, and more. On the left navigation you will see a link to "student information". This is where you will find your child's student ID number, or what we frequently call your child's "300#"

## **To access your child's virtual classroom:**

Kinder and 1<sup>st</sup> will use the Seesaw platform for their classroom.

2<sup>nd</sup> – 5<sup>th</sup> grade will use the Google Classroom platform for their classroom.

**Working from a home computer** - ALL Students will go to this link - <https://helloid.amphi.com/>

- Log in
  - User name - Is your child's 300 number (see directions above if you do not know your child's 300#)
  - Password - Your child's first name with a capital letter
- From the menu choose Seesaw for K-1 and Google Classroom for 2nd-5th
- Click continue
- Choose role - student
- Click on your classroom
- You are now in your virtual Classroom!!!!

**Working from a school computer** – log in to your Chromebook using the log in information. Log in to Hello ID. (This will be bookmarked or in an open tab in the google chrome browser.)

## **IMPORTANT TIP**

If you are using a google chrome browser all accounts must be logged out in order to access your child's google classroom. If a parent is logged in to google, a child will not be able to log in to their google classroom through the link. Log out before accessing the Hello ID link.
