Amphi High School Hosts Senior Success Conference

Since the Free Application for Federal Student Aid (FAFSA) is now available months earlier than it ever has been in the past, Amphitheater High School is hosting a "Senior Success Conference" on Thursday, October 27 to help students begin to navigate the process of applying for financial aid, completing college applications, or preparing for future job interviews if they are workplace-bound. Throughout the morning, more than 250 students will rotate between sessions on the following topics:

- Resume 101
- Mock Interviews
- Applying for the Job You Want to Get
- Financial Aid Know-How
- AZ Earn to Learn and other Scholarship Options
- How to Become a Millionaire Quiz Game
- Creating Your FSA ID
- Complete the FAFSA Application Pay for College
- Acing the Interview

This event is the first in a series of events for the Class of 2017 to help them prepare for their futures. The second event will focus specifically on completing the FAFSA Application and, on November 10, the school will host another College Application Campaign Day, where all seniors who have indicated a desire to go to college will submit at least one college application.
