

Milers' Club to begin October 3rd

The weather is starting to cool off, and Painted Sky Elementary will begin our **3rd – 5th grade Milers' Club** program. **Tuesdays and Thursdays** before school (8:00AM – first bell) 3rd – 5th graders can walk/jog/run on the course. As we begin the 16th year of Milers' Club, our Painted Sky total mileage is **126,524 miles** (YES MILES)! Let's add to the total in a BIG way this year and **shoot for 135,000 miles!**

Students will have the opportunity to develop an individual lap goal for the year. How many 10 mile charms will you earn? Which class will be our school champs? Individuals can help their classroom team while accomplishing their own personal goals. Join us and help your child's class reach their goal! If you have a younger child who would like to be a guest, please be sure they have an adult with them.

We are looking for **volunteers** to help with this program. We need you from 7:45- 8:45am on Tuesdays and Thursdays. Please sign up for as many volunteer slots as you would like. You will receive a reminder notice. Roles we hope you will consider filling are:

- **Set up / Break down**
- **iPad Monitor**
- **Course Monitor**

Sign up to volunteer at:
