Mission and Beliefs

Our Mission

The mission of Copper Creek Elementary School is to provide a quality collaborative learning experience that develops and sustains socially responsible individuals who possess the self-worth, motivation, and skills to become contributing members of our society.

We Believe

Children are our future and their education is one of the most important responsibilities of our community.

Parents, staff and students share ownership of the children's education.

Children are expected to develop respect for themselves, property and other people.

Children deserve to learn in a safe and positive environment where love and care are demonstrated.

Recognizing individual differences, all children can learn and experience success.

Children are expected to develop a strong work ethic.

Children's individual ideas are valued.

Copper Creek offers many opportunities to students including:

Copper Creek School Song

(Tune: Army Chant)

Copper Creek's the place to be.
Copper Creek's the place to be.

It's the school for you and me.
It's the school for you and me.

Learn the things you need to know.
Learn the things you need to know.

Watch your brain just grow and grow.
Watch your brain just grow and grow.

Parents, teachers, and our friends,
Parents, teachers, and our friends,

Work side by side and hand in hand.
Work side by side and hand in hand.

Copper Creek We're Cool Copper Creek THAT'S OUR SCHOOL!
