

## **Amphi Academy Online**

The Amphitheater School District recognizes that some parents may be looking for new or different learning options for their children. As a result, the District has established a blended learning academy, where students will receive online instruction through the use of Edgenuity™ courseware and Amphitheater teachers. Amphi Academy Online offers online learning at the middle and high school level. Amphi Academy teachers are certified, highly qualified, and are specialists in their content areas.

Teachers provide instruction, tutoring, acceleration opportunities, intervention, monitoring and test proctoring while students work on their online courses. Students have the option of participating in extra-curricular activities at their Amphitheater School District home school (check with your home school's athletic department for eligibility requirements). Students may also take elective classes outside of Amphi Academy Online with their home school.

Students sometimes find themselves in a situation where they cannot attend classes on a traditional campus, and parents are faced with questions about the most appropriate place for their children to attend school. Amphi Academy Online is an excellent alternative learning option for those students. Amphi Academy Online offers credit recovery and acceleration program options for students in grades 6-12.

Amphi Academy Online is a very good option for students who have demanding schedules outside of school, whether it involves work, family, sports or music. It allows students to have control over their pace of learning, as they complete their schoolwork.

Amphi Academy Online utilizes curricula that fits each student's needs and has advanced online course options in specific content areas, as well as learning in all core subjects and world languages.

The approved curricula for these courses are provided by Edgenuity™. Courses are also offered in a credit recovery and honors version.

To register for classes please call your home school or call 696-5356 for more information.

### **COURSE LIST (H=Honors)**

#### **ENGLISH LANGUAGE ARTS**

English Language Arts 6  
English Language Arts 7  
English Language Arts 8  
English Language Arts 9 (H)  
English Language Arts 10 (H)  
English Language Arts 11 (H)  
English Language Arts 12 (H)  
Literacy & Comprehension I  
Literacy & Comprehension II  
Expository Reading and Writing  
Introduction to Communications & Speech

#### **MATHEMATICS**

Mathematics 6  
Mathematics 7  
Mathematics 8  
Pre-Algebra

Algebra I  
Geometry  
Intermediate Algebra  
Algebra II (H)  
Integrated Mathematics I  
Integrated Mathematics II  
Integrated Mathematics III  
Pre-calculus  
Financial Math  
Statistics 2020  
Concepts in Probability and Statistics

## **SCIENCE**

Science 6  
Science 7  
Science 8  
Biology (H)  
Chemistry (H)  
Physical Science
