- We are sad to say goodbye to Mrs. Cyra Sadowl. Mrs. Sadowl is our beloved Librarian and has been at La Cima for 5 years. She will be leaving at the end of the month to pursue a new opportunity in Oregon. It is the fulfillment of a dream she has had for many years to begin a non-profit organization for children. As much as we hate to have her leave, dreams fulfilled are important. She is very sad to leave our La Cima family and I know the kids are sad to see her leave. We wish her the best of luck in her new role and know she will continue to do amazing things for children in her new role. We love you, Mrs. Sadowl!
