We have a new Foodservice Management company overseeing our cafeterias; and the breakfast/lunches look like they will be yummy!

Cell Phones and Watches

Cell Phones and Cell Phone Watches:

- Students are not to have cell phones or cell phone watches on them while at school. This begins at 7:25am and goes until they are in a car or getting off the school bus.
- If a student has a phone or watch it must be turned off and placed in a spot in the classroom that has been designated by the teacher. They may not have it "on them".
- Many teachers have a place in their office for students to check in their phones and watches at the beginning of the day and pick them up when the bell rings. Students have access to phones in every room in the school building for safety and security.
- The school does not take responsibility for phones that are lost or stolen. If a student brings a phone to school, it is their responsibility.

Other Electronic Devices (mp3 players, ipods, ipads, tablets, etc.):

- Electronic devices are not allowed at school unless permission has been given by the classroom teacher. The school does not take responsibility for lost or stolen electronics.

Parking Lot Guidelines and Reminders:

Picking up and dropping off students can be stressful.
It is the busiest 15 minutes of the day in our parking lot. Help us keep kids safe.

Here are a few reminders:

- **NO student drop off or pick up at the Romero Gate. This gate is for walkers ONLY.**
- **Drop is from 7:10 – 7:25. Do not drop students off prior to 7:10.**
- **Pull all the way forward in the pick up/drop off loop so as many cars can fit as possible.**
- **Do not get out of your car in the pick up/drop off loop.**
- **DO NOT PARK on Sage St.**
- **Please do not perform U-Turns on Romero Rd and Dawn during times of traffic or on Private Property**

Parking Lot Guidelines:

The Speed Limit is 5 MPH

When in the pick up / drop off line, please stay in line and wait for the line to move

Romero Gate (Blue Circle Below)

- Students are NOT to be dropped off or picked up at this gate. Drop off is only through the pick up/drop off loop. **This gate is ONLY for students who walk or bike to and from school.**
- Students who walk and bike to school will be allowed to use the Romero Gate in the morning. In the afternoon these students will meet an adult in the courtyard and walk together to the gate.

Parent Pick Up and Drop Off Drive Thru Loop

- Line up headed EAST on Sage and NORTH on Romero (**arrow lines below**)
- Turn Right to enter the parent pickup line
- **Do not line up on Sage, heading west, to turn left into the parent pick up loop. (Red line below)**
- If you normally come west down Sage from La Canada – We suggest turning off of La Canada on to the Street “Dawn”. This is one street South of Sage. Then turn right on Romero. This will allow you to turn right into the parent pick up line. (See Dashed Line below)
- **Cars may not sit on Westbound Sage and wait to enter the parent pick up loop.** Cars sitting on Westbound Sage blocks the street and traffic. Emergency vehicles cannot get through, cars are unable to get through on the street, cars cannot enter the parking lot to park. THIS IS A NO PASSING ZONE and tickets in a school zone are very pricey.

No left turn
Do not block road

NO Parking
