You will need your student number for each student. If you do not have it please contact your school's Registrar.

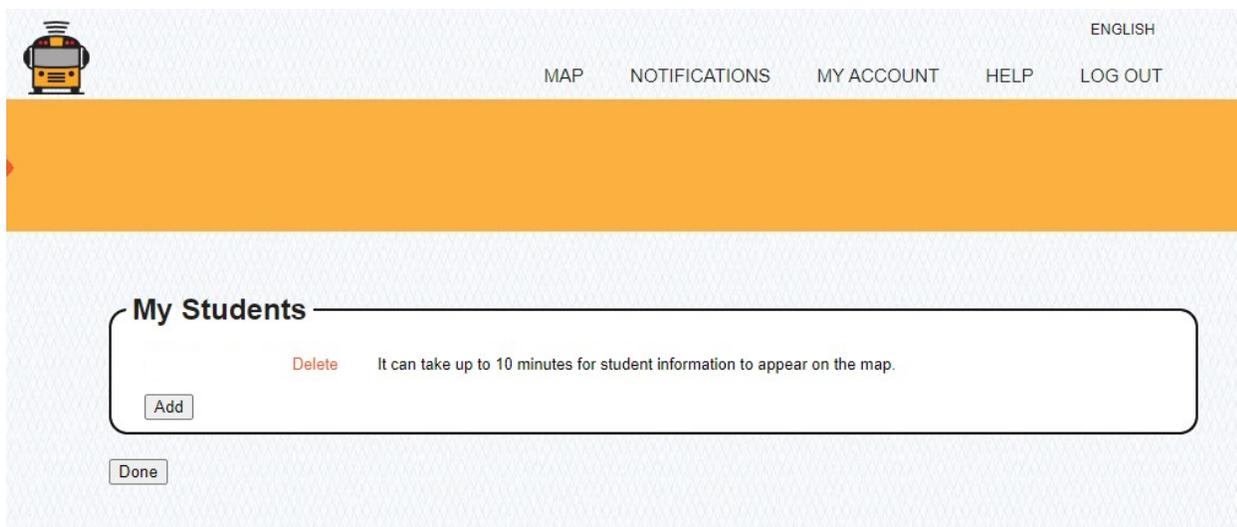

The screenshot shows the top navigation bar with a bus icon on the left and links for MAP, NOTIFICATIONS, MY ACCOUNT, HELP, and LOG OUT on the right. The language is set to ENGLISH. Below the navigation bar is a large orange header. The main content area is titled "My Students" and contains a large empty rounded rectangle. Inside this rectangle is an "Add" button. Below the rectangle is a "Done" button.

The "Add Student" modal form has a title bar with a close button (X). It contains two input fields: "Student Last Name" and "Student ID". At the bottom of the form are two buttons: "Cancel" and "Save".

Add more students or click Done:

This screenshot is similar to the first one but shows the "My Students" area with a "Delete" button and a message: "It can take up to 10 minutes for student information to appear on the map." The "Add" button is still present. The "Done" button is also visible below the main container.
