Principal's Corner

Greetings Mesa Verde Families,

We have had so much fun this week with special persons' day, the book fair, our extravagant art show and the spaghetti dinner last night. The kids are enjoying all the fun and it has been so wonderful to see many of you and your extended family and friends on campus. We are lucky to have such an amazing community. We hope you have had a chance to join in the fun this week.

It is that time of year. Time for our annual School District survey. The survey is very important to us. Each year the Amphi School District Governing Body asks all the school to have their students, staff, and parents complete a survey in an effort to continuously improve upon our practices. The survey is about 40 questions. We value your opinion and thank you for your time and attention. Please be assured that your responses will be anonymous. You can access the survey online by clicking on the link below or copying and pasting the link below in a web browser.

Thank you so much for taking the time to complete this "parent homework". We ask that all surveys be completed by March 20th. We appreciate your support.

2017-18 Tuesday Early Out 12:45pm

Amphitheater Public Schools Announces a Common Early Dismissal Day for 2017-18!

The Early Dismissal Day for Mesa Verde Elementary School is changing for the 2017-18 school year. All Amphitheater Public Schools will dismiss students early on **TUESDAY**. This will be a change for our school, our parents, our local child care providers, and our community.

We wanted to let you know of this change as early as possible as we know it may impact family arrangements for transportation and after school child care.

Why the change?

- A common early dismissal day will encourage collaboration and consistency across the school district by allowing us to offer district-wide professional development opportunities for all staff on a common day.
- If all schools dismiss early on the same day, there will be more buses available for student after-school activities and field trips.
- A common early dismissal day will result in cost-savings for the district by streamlining current bus routes and reducing transportation costs.

At Mesa Verde, we will dismiss at 12:45pm every TUESDAY during the 2017-2018 school year.

If you have questions, please contact Ms. Carol Tracy, Principal at 520-696-6094 or ctracy@amphi.com.
