9. STUDY/ACTION

A. Pilot Program - Bus Driver Attendance Bonus

President Day asked Superintendent Jaeger to introduce the Bus Driver Attendance Bonus Pilot Program. Superintendent Jaeger explained that the District is experiencing difficulty servicing student transportation routes due to a shortage of bus drivers, stating that 28 of our 160 positions are currently vacant. In an effort to become more competitive, Superintendent Jaeger has asked Mr. Burns to work with Human Resources to develop a program that might benefit the District. Mr. Burns was invited to the podium to present the

proposal. Mr. Burns explained that bus driver shortages are becoming a national crisis, and not just a problem our District is experiencing. He explained that people holding a Commercial Driver's License (CDL) are finding higher paying opportunities outside school districts. He also said that school bus drivers work fewer hours annually, which limits a driver's income potential as well.

Mr. Burns proposed an attendance bonus as a stopgap measure until the Board could address a long-term solution. It will alleviate daily absences by encouraging drivers not to use sick and/or personal leave by awarding them a quarterly bonus for their exemplary attendance.

There being no further discussion, President Day moved that the Agenda Item be approved. Vice President Cox Golder seconded the motion. Voice vote in favor - 5: President Day, Vice President Cox Golder, Dr. Baker, Mr. Leska, and Ms. Zibrat. Opposed - 0. The item passed.
