Current Sophomore IB DP Certificate Pathway Course Selection for: 2020-2022

General IB Course Expectations:

- IB course pre-requisites must be satisfactorily met prior to entry into an IB course.
- IB courses require maturity, the willingness to work well with your peers, participation in class/group discussion including presenting individual views but also respecting other points of view to fully access the curriculum.
- IB courses require a commitment that all associated course work will be completed in a timely fashion to the best of a student's abilities.
- IB Course change requests follow the same rules set forth in the general course catalog and also detailed in the CDO IB Diploma Handbook
- IB courses available to Certificate Pathway students, with the exception of Music SL, are 2 years in duration, running through both junior and senior years. Students participating in these courses commit to completing them unless the course change procedures have been followed and the student has been released by recommendation of the teacher.
- Students will follow the IB Academic Honesty Policy and review appropriate parts of the CDO IB Diploma Handbook published on the school homepage and made available during required orientation prior to starting IB Courses

IB Certificate Pathway Testing Fees:

IB fees are based on individual subject testing fees. These fees may increase slightly annually to reflect what the IB charges. As a school, we break the combined fee into installment payments to make things more manageable for families and also to take advantage of Arizona Tax Credits.

Subject-testing fees can be offset by Arizona Tax credits. Fees are calculated based on IB published fees for the preceding year + 2.5% to take into account historical trend increases published annually in September. The Bookstore will send out payment notices to further help manage the process.

IB Diploma Fees 2020-2022 Cohort	
Individual Subject Fee	\$123.00

- IB Certificate Pathway is defined as taking 1 or more IB courses with the following fee schedule
 - August 2020 – \$123.00 due at CDO walk-through registration junior year, non-refundable after September 1
 - October 2020 – \$123.00 (if a 2nd IB subject is taken) due in October of junior year, Friday before fall break; non-refundable
 - August 2021 – \$123.00 (depending on if a 3rd IB subject is taken) due at CDO walk-through registration senior year, non-refundable
 - Adjustments to the payment schedule and amounts will be made if more than 3 IB courses are taken.

Late registration, changes of course selections, requests for re-marking and other requests from the IB require additional fees.
