

IMAGINE

Preschool

at Painted Sky

Our program offers a nurturing and caring environment that inspires natural curiosity and fosters physical, intellectual, language, emotional and social development. Children learn to express themselves in many ways through “play”: to think critically, solve problems creatively, and to interact positively with others. We believe children in preschool should have a wide variety of developmentally appropriate activities. The program balance between teacher-structured and student-choice activities is comfortable and realistic for the young child.

Registration is now open for the 2018-2019 school year.

Registration Fee: \$100 (non-refundable). The registration fee must accompany the registration form for your child to be placed on our roster.

Weekly fees of \$170 are due beginning August 6, 2018.

Hours: 7:00am-5:30pm

Limited to 25 students.

Call the office at (520) 696-3800 for more registration information.
