Cross Middle School: Preparing for the Future

Cross Middle School staff members strongly believe that the students they educate today will be the leaders of tomorrow. Cross Middle School has high academic and behavioral expectations and provides a variety of opportunities for students, focusing on developing the whole child. A great deal of teacher, parent, student and community involvement adds to the Cross educational experience.

The school offers accelerated courses for high school credit, a strong fine arts program including visual arts, band, orchestra, choir and musical theater as well as athletic programs with a rich tradition of excellence. At Cross, every child is an individual, and every student is valued.
