## **<u>Leadership</u>** – Full Year

Positive attitudes and the desire to make a difference are a must as we explore the world of Leadership. This class requires teacher and administration recommendation. Student grades, attendance, and behavior will be considered.

Teacher Recommendation 1:
Teacher Recommendation 2:
Administrator Recommendation:
Student Aide - Semester
Student Aide gives the opportunity to become familiar with different aspects of school life. We use student aid in every area of the school. If you are interested in being a student aide please read each short description as number the priority of interest (1 is the highest). This class requires teacher and administration recommendation Student grades, attendance, and behavior will be considered.
Elementary PE Aide - Students will work with the elementary PE teacher to support PE instruction. Thi includes setting up/breaking down PE activities and working with elementary PE students during clas activities.
Classroom Reading Aide – This student aide receives specific instruction on how to help elementar students who are struggling in reading. They will receive tutor training and will be partnered with class whose teacher has requested additional support.
Classroom Math Aide - This student aide receives specific instruction on how to help elementar students who are struggling in math. They will receive tutor training and will be partnered with a clas whose teacher has requested additional support.
Library Aide - Working in the library introduces the many functions of the library. Students are taugh how the computers work; they show other students how to find books or look up research materials etc.
Office Aide – By helping in the office, students learn the fundamentals of how to deal with the publi (both in person and on the phone), filing, accounting, attendance, and general office work.
