A paper copy of the application is available upon request. We encourage you to prepare some of the information required before starting-opening the application. These are the following items needed for the application.

- What is the name of your parent, family member, or guardian whom you would like to invite to the ceremony. What is this person's email address and street-mailing address?
- You will need to compose a paragraph detailing the personal qualities you feel make you a good candidate to join our chapter of NHS.
- There are two additional questions required, however your answers will not disqualify you from joining our chapter of NHS. If you do not have any experience for the following two questions, simply respond with "none."
  - Which extra-curricular activities are you currently or were previously a participant? This can be both school and out of school activities.
  - List and briefly describe any work-job or community service experience you may have.

As well, you will need to read over some basic information about the NHS and our chapter's requirements for membership.
