READ AND SIGN BELOW – STUDENT VEHICLE REGULATIONS

Driving and parking on campus is a privilege. Students must follow city parking regulations and are not permitted to park or block spaces designated for teachers, staff, visitors, handicapped (without appropriate permit), reserved or access ways to buildings or driveways. Reckless driving, irresponsible driving, or repeated vehicle or parking infractions may result in revocation of this privilege and/or other disciplinary actions which includes denial of parking privileges, placement of a sticker on the offending car's driver's side window, or detention and/or suspension.

All vehicles driven to school must be registered in the Operations Office. Only cars with a valid IRHS permit are allowed to park on campus during the school day. Students are to park in the *student lot* only.

Cost of the parking permit is \$20.00. Only juniors and seniors are eligible for parking privileges. Eligible students must provide the following *current* documentation (with this completed form) to the Operations Office (Admin Bldg).

- | | |
|---------------------------|-----------------------------|
| _____ 1. Student ID | _____ 3. Auto Registration |
| _____ 2. Driver's License | _____ 4. Proof of Insurance |

The issued parking pass must be visibly attached to the rear view mirror of a registered car's windshield with the number pointing outward. All vehicles that the above student might drive to school must be listed on the back of this registration form. The registered parking pass must only be used for vehicles documented on this form. If changes are necessary (new car, change of car, etc.) students must do so in the Operations Office. If permit is lost, an \$11.00 fee will be charged.

For reasons of student welfare and safety, loitering in any of the parking lots is prohibited. Immediately after parking the vehicle, the driver and any passengers are required to promptly leave the parking lot. When leaving school at the end of classes, students are not to go to their cars until they are ready to promptly leave the parking area. **Students may NOT be at or in their cars at any time during the day including between classes.**

Per the Code of Conduct, the interior of a student's vehicle may be inspected if school authorities have reasonable suspicion that there is a violation of law or school/district rules. The school is not liable for the loss/theft of personal belongings left in student vehicle. Vehicle protection and items left in vehicles are the responsibility of the driver.

Replacement passes will be issued on a case-by-case basis. Permits issued are subject to availability of parking spaces.

I have read and agree to the above.
