Instructions for Writing Critiques

Specific requirements for the five (5) critiques written for Visual Arts, Art History, Photography, Vocal Music, Instrumental Music (Band and Orchestra), or Drama can be found with the content area instructor.

The five (5) critiques should be accumulated during the four years of high school, but each critique must be turned into the instructor within two weeks after the event being critiqued. The instructor shall require student revisions on each critique until all of the communication skills - format, grammar, spelling and critical thinking are exemplified and are indicative of what a student striving for a Seal of Excellence should produce. **EACH CRITIQUE MUST BE ACCOMPANIED BY A PROGRAM OR VERIFICATION OF THE EVENT AND BE ATTACHED TO THE FINAL DRAFT.** Critiques should not be a listing of the music played or paintings viewed. A critique is a critical analysis of the content of the program or exhibit. Students should apply appropriate academic vocabulary when critiquing the event.

The final draft of the critique must be type-written and turned in to the Fine Arts Chairperson for final approval. All five (5) final critiques, a completed Seal of Excellence form and a transcript must be submitted to the Department Chairperson **NO LATER THAN MAY 1st OF THE SENIOR YEAR** for approval in order to be awarded a Seal of Excellence at the convocation and graduation ceremonies.
