

Art Club 2018-2019

Art club will be offered to 4th and 5th grade students this year. The focus will be on community art. We will learn how art can brighten and inspire a community. Students will learn mural making techniques. We will learn how to plan for and construct art on a large scale. They will have the opportunity to work on a school mural that students will be able to enjoy for many years along with several other projects! Club size will be limited to 15 students. If more than 15 show interest a lottery system will be used to select participants. Please turn in your slip to the art room by August 31st. Parents will be emailed to verify their child's participation. We will meet on Thursdays 2:20-3:20 in the art room beginning September 6th. A club fee of \$20/child will be collected to cover materials. Please bring this on September 6th. Checks can be made out to Wilson K-8, make sure to include your child's school identification number in the memo portion of the check. Students will need to be picked up promptly at 3:20, unless they will be going to PAL. I will walk students to the parent pick up area at 3:20. If you have any questions please contact me at ahitt@amphi.com. I look forward to working with your child!

Angela Hitt
Wilson K-2 Art Teacher

Art Club-Sign up
Please turn in by August 31st

*Make checks out to Wilson K-8, include student id in the memo portion

Student's Name: _____

Grade/Classroom Teacher: _____
