Innovation Academy National Elementary School Honor Society Eligibility Requirements

Students in 4th and 5th grade who meet the requirements for membership outlined by their school's chapter are eligible to be invited for membership.

Each chapter is required to publish its qualifications for membership, which is based on the four pillars of NEHS:

- **Scholarship**-Innovation Academy guidelines, at minimum, students must have a cumulative GPA of 3.5 on a 4.0 scale, each quarter.
- **Responsibility**-IA-NEHS Members are responsible and maintain high marks for citizenship (No Ns).
- **Service**-IA-NEHS members contribute to the school and their community in positive ways.
- **Leadership**-IA-NEHS members seek opportunities to be leaders and positive role models.

Students who meet the Scholarship, Responsibility, Service, and Leadership requirements will have an opportunity to complete a form detailing other accomplishments and attributes.

Understanding the Obligations of Membership

Students who accept membership and are inducted into the chapter should be aware of the time and commitment involved with this honor. For example, there may be chapter meetings. The chapter bylaws articulate the yearly meeting schedule and member attendance obligations. Members also must participate in chapter service projects to benefit the school and community.
