Walker Comprehensive Needs Assessment Parent Surveys

Each year Walker Elementary School must conduct a Comprehensive Needs Assessment (CNA). The Comprehensive Needs Assessment (CNA) is a systematic process used to help us identify, understand, and address educational challenges in a prioritized manner. The CNA is not a test; it is not an evaluation of good or bad. It is about knowing where we are as a school in relation to evidence-based practices and effective school systems. The information from this survey will be used to develop our annual School Improvement Action Plan (SIAP), that will guide school decisions, including the how Title I funds are spent. The survey consists of 6 sections. Due to the length of each section, the survey will be divided into 3 parts and will be sent out over the next several weeks. We appreciate you taking the time to complete this survey, as your responses are extremely important in guiding our planning. If you would like a paper copy of the survey, please contact your child's teacher and we will arrange for one to be sent home. The first survey can be taken online using the following link:

Free and Reduced Lunch Application

We would like to ask our Walker families to please fill out the free and reduced lunch application for the school year if you have not already. These applications are used to help determine our funding for Title I and other areas. Completing this application will not impact free lunches for this year. **All students will continue to receive free lunch for the entire school year.** Applications can be submitted online at:

If you would like a paper application, please contact your child's teacher so we can send one home with them. Thank you for taking the time to do this.

Dismissal Procedures

We would like to thank all of our Walker families for their patience during student pickup over the last two days. We would like to ask for your assistance in helping us to make the process quicker.

- Please be sure that you have told your child's teacher and your child how they are going home each. Please try to be consistent each day and avoid changes as much as possible.
- Please display a paper in your front window with your child/ren's names, grade, and teacher. Please contact your child's teacher if you would like the school to provide the paper for this.
- Please remain in your car and use the car line to pick up your child whenever possible. This will help to ensure that the appropriate person is picking up a student.
- If you cannot use the car line, please do not wait at the west gate for your child. Please wait at the chain link fence at the southwest corner of the parking lot and the car line tag reader will call for your child.
