Return to Full Time In Person Instruction

Walker Elementary School will be returning to full time in person instruction beginning **Wednesday, March 24th**. Monday March 22nd and Tuesday March 23rd will be remote only days as teacher will be preparing for the return to full time in person instruction. Students will be provided work to be complete at home for these two days.

Over the weekend, the district sent out a survey link for families to indicate if they are planning to return to in person instruction full time. If you have not completed this survey yet, please do so as soon as possible. The survey can be completed by clicking on the following link:

Registration for 2021-2022 School Year is Now Open

We are asking families to return the registration packet for returning students or new students as soon as possible. Each year the number of students registered at each grade level determines the number of teachers assigned to Walker Elementary School. It is important to have accurate information early in the year so that we can ensure the lowest student-to-teacher ratio in each classroom.

Registration packets are being sent home this week with your child. Please contact your child's

teacher or the main office if you have not received a packet. Registration packets can be found online at

<https://www.amphi.com/domain/4304>

Kindergarten Registration

If your family has a child that will be old enough for kindergarten next year, 5 years old by September 1st, please complete and return registration for next year. If know a family with a child who will be old enough, please encourage them to turn registration paperwork in as well.

We will be offering kindergarten round up every Wednesday in April. Please call the front office at 696-6518 to make an appointment.
