Pool Play, Semi-Finals, and Uniform colors:

- **For uniform purposes, the home team will be listed second on the schedule.**
- Pool play games will be 35-minute halves, running time. Half time will be five minutes. Referees may only stop the clock in the last two minutes of the game for injuries, etc. Referees will be instructed to end games five minutes before the scheduled time of the next game, regardless of the length of the second half. Tie games will stand. No overtime periods. Scoring for pool play will be determined by the following scoring system (maximum of 10 points per game):

Winner =	6 points
Tie =	3 points
Goals scored =	1 point for each goal up to a maximum of 3
Shut out =	1 point
- Teams having identical points within a pool will use the following criteria to settle ties: 1st tie breaker will be head-to-head competition; then common opponents; if still tied, then “goals against”; if still tied, then “goals for”. If still tied, seeding will be determined by a coin toss.
- Semi-final bracket games will also be 35-minute halves, running time, and will follow the same format of the pool play games with one exception. If the semi-final game is tied at the end of regulation, the teams will go straight to PKs. There will be no overtime period in the semi-final games.

Championship Match Games (Finals):

Championship games will be 40 minute halves. Clock will stop for goals and official’s discretion. A tie in the final game will be decided by regulation (two 10-min overtimes with “golden goal”). If still tied, then PKs will decide the outcome.

A trophy will be awarded to the Champion and Runner-up.

Game balls, scorers, timers, will be provided. **Each team will be required to provide one ball person per game.** Rosters with numbers must be submitted to scorekeepers 10 minutes before game time.
