PBIS

AT HARELSON WE FOLLOW THE THREE B'S!

Be Safe
Be Respectful
Be Kind

Safety, kindness and community are defining features of Harelson and what makes it such a great place for students. At Harelson we have three simple rules: Be Safe, Be Respectful, and Be Kind. We believe that if students follow these simple rules in all areas of the school, we can provide the very best learning environment for students.

At Harelson, we promote a safe, caring environment and our school rules are meant to support this for all students. An easy way to remember our school rules is to ask: Is it safe? Is it Respectful? Is it Kind?

	 <i>Talk to your neighbors in a quiet voice</i>

Be Kind	 <i>Use nice words</i>
	 <i>Use good table manners</i>

Dear Harelson Families,

Please read the following information and review the accompanying maps which outline our policies and procedures for student arrival and dismissal. I know how much the Harelson family cares about the safety of our students, which is why we must maintain a predictable and safe arrival and dismissal.

With over 400 students arriving and leaving in a short amount of time, it is critical that everyone do their part to support a safe and orderly transition each day.

Thank you for your support.

Sincerely,

Stephanie Hayes
Principal
Harelson Elementary School

Dismissal Plan

It is important that we have a dismissal procedure that invites our parents onto our campus while still allowing staff to know where students are at, with whom they went home, and which adults are on campus. We believe we **can** have our families back on campus while maintaining a safe and orderly transition for kids!

In order to accomplish this, the following options are available for dismissal:

1. **Vehicle Drive-Thru Pick-Up** -> Students are walked to the vehicle drive thru by a teacher. Siblings meet at the drive thru ramada.
2. **Parent Walk-in Pickup** -> Students are grouped by grade level with a teacher. Teachers will communicate the location. Parents enter at the Art Room/Health Office Gate and pick up their child at the designated location.
3. **Student Walk-Out Alone** -> Students are escorted to the crosswalk where they can meet siblings, walk home, or meet a parent across the street.
4. **Bus Riders** -> Students are escorted to the bus gate.

*Students who go to Alphabest or participate in school sponsored after school activities will have specific dismissal procedures based upon their activity and grade level.

Arrival Plan

- Parents may use the vehicle drive-thru lane to drop off between 7:10 and 7:30.
- Parents must park across the street. Do not enter the wrong way by Cross MS.
- Students and Parents must enter using the Art/Health Office Gate only.
- Parents may walk students to class in the AM, but may not enter the playground.
- Students should drop off backpacks and go directly to the playground.
- Breakfast will be available in the cafeteria. Students must eat in the cafeteria.
- Parents must exit at the 7:30am start time or check in at the office if volunteering.

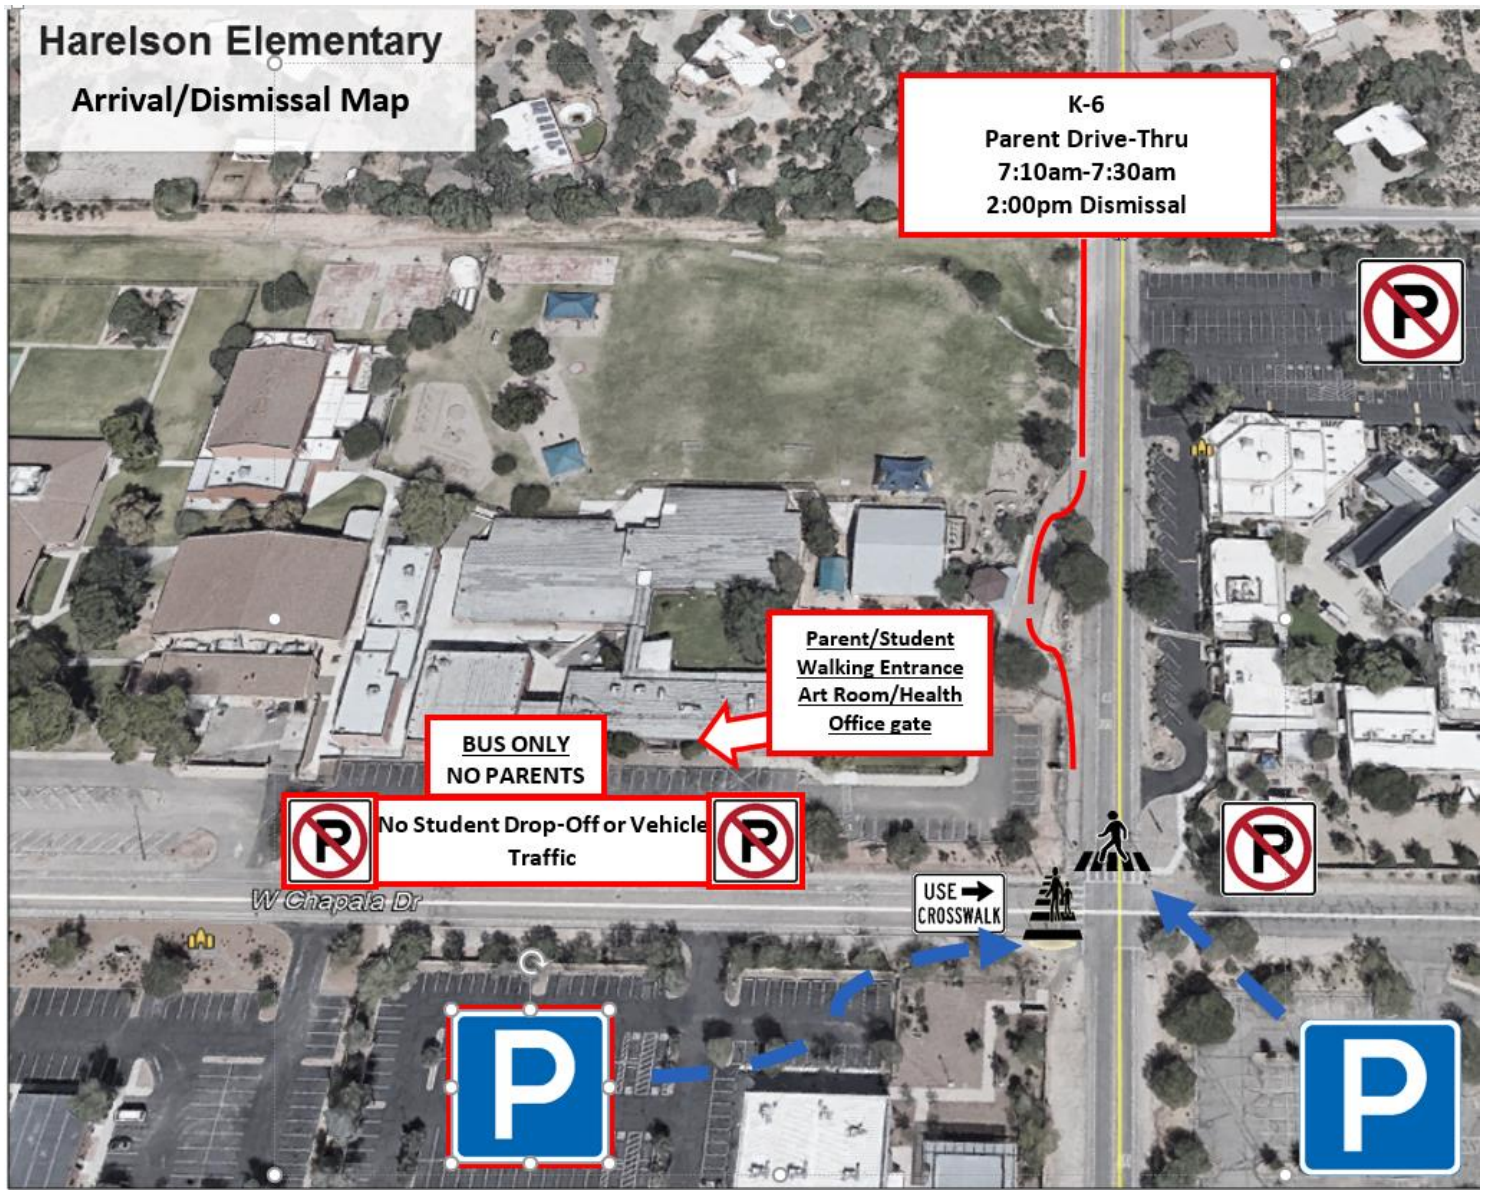

Arrival Procedures and Policies

- ✓ Adults and students must use crosswalks Please model safe crossings for our students.
- ✓ The front parking lot and entrance may not be used to park, drop off, or pick up students during arrival and dismissal. (see maps)
- ✓ Please park in designated and approved parking areas (see maps). We are fortunate to have permission from St. Andrew's and St. Odilia and we can maintain our wonderful partnerships by parking only in the approved lots (see maps).
- ✓ Please do not move or drive around cones, barriers or other caution devices. Please do not enter through the one way exit by Cross MS.
- ✓ Late arrivals must park across the street and walk their child into the office to check them in.
- ✓ We highly recommend parents who drive, to use the Parent Vehicle Drive-Thru located on the East side of the campus to drop off and pick up.
- ✓ **Drive Thru Requirements:**

If you cannot meet the below requirements, please use one of our other convenient drop-off/pickup options.

- Always pull completely forward and continue to pull forward slowly as the line moves.
 - Always stay in your vehicle and do not get out – drivers should remain at the wheel.
 - Students must enter/exit your vehicle on the passenger side. (This may require moving child seats in your vehicle)
 - Teach your child how to buckle and secure their seatbelt on their own. Now that they are in elementary school, this is an important, appropriate and helpful next step!
 - **Make a sign with the first and last names of ALL your children and affix/attach to your passenger visor.** Make copies and give them to anyone else who picks up.
 - Please explain and train anyone else who picks up your child through the vehicle pickup so they know what to do and where to go.
- ✓ For safety reasons, please do not arrive before 7:10am as there is no supervision for students before this time and gates will be locked until this time. Students should go directly to the playground after dropping off their backpacks at the classroom.
 - ✓ Students may arrive and go to the playground at 7:10am until the 7:25 bell.
 - ✓ Dismissal - Gates are unlocked at 2:00pm. Parents must enter using the gate by the art room. This helps with traffic flow and safety.
 - ✓ **Please have a dismissal/pick-up plan and communicate it with your child and teacher.**

Arrival/Dismissal Map

- Parents who walk their child into school, must enter using the Art/Health Office Gate only.
- Parents may walk students to class in the AM, **but may not enter the playground.**
- Parents must exit at the 7:30am start time or check in at the office if volunteering.
- Dismissal: Parent walk-in pickup will occur on the Forever Green. Students will line up by grade level with a grade level teacher.
- Dismissal: Students who walk off campus alone will exit and meet siblings at the crosswalk.
- The entry/exit gate by the office is reserved for Buses and bus students only

Students should continue to bring a water bottle that can be filled using our water bottle filling stations on campus. Water fountains will continue to be turned off.

Students will continue to wash hands and sanitize regularly, including before lunch and eating.

Masks will not be required per recent legislation forbidding schools from requiring masks. Please visit the CDC for updated guidance on masks in schools and make the choice that fits your family and community needs. All choices will be respected.

Quarantine and isolation will follow district policies for vaccinated and unvaccinated individuals. For specific questions, please refer to the district COVID-19 webpage.

SCHOOL POLICIES & INFORMATION

ARRIVAL & DISMISSAL

Students in grades K-6 must not be at school before 7:10 a.m. or 10 minutes after school is dismissed unless participating in school supervised activities.

Harelson students dismiss 90 minutes earlier than Cross MS. **Harelson students may not wait at Harelson or Cross to meet siblings at Cross.** Please make arrangements for after school care and coordinate student pick-up.

ANIMAL AND PET POLICY

Students should not bring animals to school, unless requested by the classroom teacher, as part of a key learning experience. Please do not bring any animal to school without teacher permission. If you are given permission to bring an animal to school, you must have a cage or container to carry it in. The bus drivers cannot allow animals to be carried on the bus. Someone must drive you to school and pick you up when you bring an animal.

BATS - In recent years we have had several instances involving students and bats (the winged mammal). Please do not touch dead bats or bring them to school. In addition to the potential for the spread of disease, all encounters with bats must be reported to the department of health.

Parents/guardians should not bring animals, including cute puppies, on campus to pick up their child. Please leave your pets at home when picking students up from school. If this is not possible, make arrangements with your child to walk to meet you off campus. Service animals are permitted on campus if the work or tasks performed by the service animal are directly related to an individual's disability. However, according to Arizona law, a person may not fraudulently misrepresent an animal as a service animal.

ATTENDANCE

If your child is going to be absent, please call the school at (520) 696-6020 before 7:30 a.m. If you do not call, we will be contacting you to determine the nature of your child's absence. **The Amphitheater School District participates in the ACT Now Truancy program. Chronic unknown absences will be referred to the Pima County Attorneys office.** In addition, we would appreciate your reporting any communicable diseases to our health aide. Also, please see "Health Office Information" in the back of this handbook.

We stress the importance of being on time for class as students miss important learning and preparation at the beginning of the school day. **If a student is tardy, please report to the office to sign the student in before going to class.**

If you need to take your child out of school during the day, please come directly to the office to sign them out. Your child will be called from class at that time. Only persons identified on your child's registration/emergency card will be allowed to pick him/her up. If you believe that an unauthorized person may try to see your child, please notify the office immediately.

BAND AND ORCHESTRA

Band and Orchestra are both offered as extra curricular activities. Students who are in 4th – 6th grade may join Band or Orchestra. Please contact our music teacher, Kristy Brower or our orchestra teacher Toru Tagawa if you are interested or need more information.

BICYCLE SAFETY

Many students ride bicycles to school. Bike racks are provided to store bicycles during the day. It is important that each student riding a bicycle to school observe these safety precautions.

1. Always lock your bicycle.
2. Never ride two on a bike.
3. Use proper hand signals.
4. Obey all stop signs.
5. Always WALK bicycle on school grounds.
6. Do not ride your bike in the opposite direction of traffic.
7. Bike pen is locked at 7:30 and opened at 2:00pm

Bike riding, roller skating, roller blading, and skate boarding are not permitted on school grounds.

BUS

It is critical that your child ALWAYS boards and departs the bus at the correct stop as known and approved by you. Children should be at the bus stop 10 minutes prior to the scheduled pick up time.

Although we hope it will never be necessary for your family to be concerned with violations of bus rules, you and your child should be aware of the discipline procedures designed to correct problems. Please take a few moments to go over these rules, which are attached.

Please contact transportation directly for route or other information. 520-696-6603

<https://www.amphi.com/Domain/359>

1. Always comply with the bus drivers/monitors directions.
2. Use classroom voice only. (Never use profanity or loud noises)
3. Remain seated with your seat belt buckled.
4. Keep your hands, feet and head inside the bus.
5. Keep unauthorized materials and substances off the bus. (Snacks, drinks, animals, glass objects, weapons, large radios)

The consequences of inappropriate behavior or actions on the bus are fully explained in the Student Code of Conduct. PLEASE NOTE: IN INCIDENTS INVOLVING MAJOR VIOLATIONS DESCRIBED IN THE STUDENT CODE OF CONDUCT AN IMMEDIATE SUSPENSION OF RIDING PRIVILEGES MAY BE IMPOSED.

By working together we can safeguard your child from potential hazards associated with all aspects of transportation, both on and off the bus. I hope you and your child have a productive and safe year.

BULLYING

Bullying occurs when a student or group of students engages in intimidation or harassment that is severe, persistent, repeated and when there is a real or perceived imbalance of power. Bullying can and will not be tolerated in any form. If your child feels he or she has been the victim of bullying or suspects other students are being bullied they should report it immediately to their teacher, Behavior Intervention Monitor (Mrs. Petersen), Counselor, office staff or the Principal.

CELL PHONES & TECHNOLOGY

Cell phones and similar electronic devices are not permitted for use at school, unless under the direct supervision of a teacher as part of the learning process. If you would like your child to have a cell phone at school, students

MUST keep their cell phone in their backpacks and turned off at all times. Students caught using cell phones may have them confiscated by the teacher and may require a parent/guardian to pick it up at school. Smart Watches are permitted for use as a watch only. Smart watch data use, email, phone, texting, camera, etc. may not be used during school hours. Students may lose the privilege of wearing/bringing such devices if these rules are not followed. Cameras, ipods/mp3 players, computer software, cd players, electronic games, laser pointers, video devices, or any related devices are not permitted for use at school unless approved by administration.

Harelson school and staff are not responsible if these items are damaged, lost, or stolen.

COMMUNICATION: PARENT-TEACHER

Maintaining positive and proactive communication is the foundation for a successful academic experience. Our teachers and staff work tirelessly to meet the academic and social learning demands for each student. However, we understand that there may be times when we you have questions or concerns. Teachers are in charge of the day to day learning in their classroom, including assignments, homework, and minor discipline issues. If you have a concern, it is vital that you voice that concern in a positive and productive manner and work with your child's teacher directly to resolve the issue.

Complaint Process:

1. Contact your child's teacher (phone, email, in person) to discuss your concern. Provide ample time for agreed-upon resolution.
2. If situation does not improve, setup a face to face meeting with your child's teacher. Let them know in advance what the concern is in regards to. Provide ample time for agreed-upon resolution.
3. If the situation still does not improve, email both the teacher and Principal clearly outlining your concern and request a meeting with all parties. The Principal will meet with the parent and teacher together to listen to all sides of the issue and mediate a resolution.

Below are some steps to successfully address concerns:

1. Don't wait; ask for clarity sooner rather than later.
2. Speak with your child's teacher before you fully develop an opinion on a matter. It is very common for students (and adults) to make generalized comments. Understand the context and give each other the benefit of the doubt.
3. Be flexible and be honest. Your child's teacher is not perfect. Our teachers work hard to be flexible but they may not be able to meet every individual request.
4. Be Kind. Teachers work hard. Treat them as you wish your child to be treated.
5. Avoid discussing or "leading" your child. Just get the facts from them and leave the adult conversations between the adults.

COMMUNICATION: SCHOOL OFFICE - HOME

Harelson publishes the "Harelson Happenings" newsletter monthly to keep you up to date. Communication will be sent home via email on Mondays or as needed. Please check our website, Instagram and Facebook page for up to date information.

CONSEQUENCES FOR MISBEHAVIOR

In addition to our school rules, policies, and safety regulations, each year, our students and parents are provided the Amphitheater School District Code of Conduct. The Code of Conduct is an agreement outlining the expectations for behavior from our students, as well as actions and consequences when students violate these expectations. Please read and review the Code of Conduct. The Code of Conduct is available on the Harelson website.

DAMAGE TO BOOKS AND PROPERTY

The cost of our school books and equipment has increased substantially over the years. For example, our new fifth grade math book costs \$52.00. We need to teach the children to take care of these books as well as school equipment. Should a child lose a new textbook, the child will be responsible for the full cost of a brand new book. If the book is damaged to the point it will affect our ability to use it for seven years, we will charge a damage fee appropriate for the book.

Students are also responsible for using equipment and furniture appropriately. Students will be charged for willfully damaging school property. Let's all emphasize the importance of having respect for our property.

DRESS CODE

We require students to be dressed for successful learning and Harelson students are expected to wear acceptable and comfortable clothing. Harelson Elementary follows District guidelines for appropriate dress. Schools are required to provide guidelines for student dress that reflects neatness, cleanliness, and appropriateness. It is expected that all students abide by these rules and expectations. If your child arrives at school wearing non-allowed items, office staff will attempt to call parents to get replacement items, or they may provide more school-appropriate, clean clothing for your child to wear for the day. We will do our best to address this quickly with as little disruption as possible. We need and appreciate your support to minimize any disruption to learning!

To help accomplish this, students should not wear:

- Shorts and skirts that do not cover the buttocks or extend down to cover at least three (3) inches of the legs.
- Any clothing which exposes a student's bare midriff or undergarments.
- Muscle shirts, spaghetti strap tops, halter tops, tank tops with shoulder straps less than two (2) inches wide.
- Mesh sports jerseys without undershirts.
- Tights, without appropriate length shorts or skirts worn over them.
- Shoes or sandals are to be worn at all times on school grounds. Closed-toed shoes must be worn for PE.
- Jewelry such as low-hanging earrings that may be caught by another object or pulled by others.
- Profane, obscene language or pictures, defamatory writing, or depictions on clothing or jewelry.
- Displays of profanity or obscene gestures or promoting alcohol, drugs, or tobacco in their logo.
- Sagging, ill fitting clothing including hanging belts or chains.
- Gang-related personalization on hats, items of clothing, belt buckles, bandannas, hair nets, scarves as headgear, except when worn for religious purposes.
- Clothing that presents a significant distraction to the learning environment

ENTREPRENEURS CLUB

Parent volunteers sponsor the Harelson Entrepreneurs Club. The purpose of this club is to teach children how to start their own business and make a fair profit on quality items sold at the Annual Fall Workshop. This club maintains over 90 members. This is a fun and exciting option for our children. Stayed tuned for details.

FIRE, EMERGENCY, AND LOCKDOWN PROCEDURES

Fire drills are held monthly during the school year at which time the entire school is evacuated. Your teacher will direct you during a fire drill. Each teacher will inform you of fire drill procedures the first day of school.

We will conduct lockdown drills throughout the school year. In the event of a real lockdown, all faculty, staff, and

students will follow lockdown procedures. During a lockdown, parents/guardians will not be allowed to enter campus and students will not be permitted to leave until the lockdown has been lifted.

HATS AND CAPS

Hats are NOT allowed inside any building or in hallways.

Hats and caps are allowed to be worn on the playground, outdoor PE classes, field days and field trips. If a student chooses to wear a hat inside a building it may be confiscated.

HOMEWORK

Each teacher and grade level develop their own homework policies and practices that align with their training and experience as professional educators. Homework is meant to be accomplished independently by the student and is typically work that has been taught in class and/or needs to be practiced. Quality is more valuable than quantity. Homework may also consist of reading to the family, interviewing parents, completing a project, or discussing a classroom topic. Our primary grade students may have up to 30 minutes of homework a day and our intermediate students may have up to an hour of homework. These approximate times may vary depending on how the child is using time in class, the difficulty of the assignment, or special circumstances regarding working on a special project.

At Harelson, we believe homework plays a role in schools, however, we also value the many extra curricular experiences our students need to grow. We regard scouting opportunities, music lessons, sporting activities, and the pursuit of outside interests as important for the development of our children. We believe it is important that we balance the many unique pursuits of our students in and out of the classroom and must help children distribute their after-school time to accommodate both school and outside activities.

Please respect the thoughtful decisions of your child's teacher in regards to homework. If you have questions or concerns about your child's homework, please work directly with your child's teacher.

HOMEWORK FOR STUDENTS WHO ARE ILL

Over the years, we have found that it is quite unproductive for the children to be doing homework when they are home sick. When they return, we find that they were really too ill to do much of anything. Often they are quite frustrated when they have a pile of homework, yet lack the instruction necessary to complete it successfully. If your child is out of school for **two or more days** and is feeling well enough to do homework, please call or email your child's teacher before 7:10 a.m. to request homework. We will be able to have appropriate assignments prepared by 3:00 p.m. on that day. When your child returns, the teachers will give the instruction necessary to catch up with the class.

LIBRARY PROCEDURE AND BOOK CARE

The library is provided for students research and enjoyment, and requires a quiet atmosphere. The school librarian will help you find the information you may need. Students should exercise care with library books and materials so other pupils may enjoy them also. Students wishing to use the library during recess time must obtain a pass from their teacher **prior to lunchtime.**

LOST AND FOUND

A Lost and Found area is maintained by the school. Any items found should be sent to the Lost and Found. A good policy for each student to follow is to place his or her name inside jackets, sweaters, coats, etc., so they may be returned if found. **Articles not claimed within a reasonable amount of time will be given to the Amphi Clothing Bank throughout the school year.**

MESSAGES FROM HOME

All messages that need to be given to students are done once a day at approximately 1:45 p.m. Please make arrangements for your child's after-school schedule in the morning before he/she leaves for school. Interruptions to the classroom via the P.A. system for such arrangements are disruptive to the entire class and, therefore, should be avoided.

PLAYGROUND EQUIPMENT SAFETY

The following list of actions to avoid is purely for the safety of students:

1. **TAG** - is not allowed on/around the Village and Challenger/Adventure play structures.
2. **PLAY STRUCTURES** - Walk and keep your hands and feet to self. Slide on your bottom, feet first with only one person at a time on the slides. Please slide down, not walk up slides.
3. **NEVER THROW ROCKS AND/OR SAND AT HARELSON**. It just isn't safe and can easily result in severe injuries. WE LOVE YOU and we don't want you to be hurt!
4. **CHIN-UP BARS/WORK-OUT EQUIPMENT** - Due to injuries and safety concerns students are not permitted to use the chin-up bars or work out equipment, except under the direct supervision of a staff member.
5. **MONKEY BARS** - For safety reasons, climbing or sitting on top of monkey bars is not permitted.
6. **SWINGS** - One person per swing only. No climbing, standing, spinning, or swinging on your stomach. Guard rails are provided. Do not enter swing area unless you see a vacant swing ready for use. Children may not push other children on the swings. Take turns and play with friends!
7. **SOCCER GOALS** - Swinging/hanging on soccer goals is not permitted.
8. **NO FOOD OR CANDY ON THE PLAYGROUND**. Please do not bring gum, water balloons, golf balls, hard balls, tennis balls, or bats to school. Candy is allowed in the lunchroom.
9. Do not climb, stand, sit, lean, spin, or play on the following equipment: soccer goals, basketball hoops, backstops, tetherball poles, basketball poles, or yellow guard rails.

PLAYGROUND GAME RULES

1. Games must be played at designated, assigned areas (i.e., designated Kickball field, etc.)
2. All games (soccer, football, tetherball, basketball, etc.) must be played according to the proper rules of the game or the game will end immediately.
3. No tackle games of any sort are permitted.
4. No games are permitted in which a ball or other object is thrown at another person in a manner other than for catching.
5. Altering, arguing rules, or poor sportsmanship will result in loss of play.

SAFETY TIPS

1. Most strangers act friendly, but there are some who are not our friends. Even adults cannot always tell friendly strangers from other strangers.
2. We should stay away from strangers until they are approved by our parent, teacher, or a trusted authority.
3. Friendly strangers offering gifts or candy are not to be considered friends. Student's first reaction should be to leave the scene and go to a safe place. They should tell the nearest authority (teacher, friend, parent, police officer, or baby sitter).
4. Never accept rides from strangers, go near or get into their car for any reason, no matter how friendly they seem.
 - a. Refuse the ride, get away from the car and continue on your way.
 - b. If the stranger keeps following, run or walk away in the opposite direction of the car.
 - c. If still followed, run and yell to attract attention.
 - d. Find a busy store or a house where someone you know lives.
 - e. Later, with a friendly adult to help, report any such persistent follower to the police.
5. Students should never stop to speak to strangers, even if they ask for directions. Discuss where students can find emergency help on the way to school with special reference to the immediate area. Encourage students to walk with a friend and to take suitable precautions when walking alone. It should be emphasized that students should never get near a stranger that they can be touched by them.
6. Students should know full name and address but never give them to a stranger.
7. Students should always play or walk where they can be seen by other people or the person in charge. If possible, the student's route to school should not lead past abandoned buildings, woods, or through vacant lots where they are cut off from public view. If such hazards are unavoidable, students should be encouraged to walk with friends and not to loiter. Shortcuts should be discouraged.

SCHOOL ACCIDENT INSURANCE

Each September, the school offers accident insurance coverage for Harelson students. Complete information will be made available to you at the beginning of the school year or may be obtained from the Harelson school office. The premium is very nominal and we urge you to consider this coverage.

SCHOOL LUNCH PROGRAM

Breakfast is served daily from 7:10am – 7:30am. The breakfast and lunch menus are available on the Harelson website. You can load money to your students account through the Titan Family Portal.

<https://family.titank12.com/>

SELLING OR TRADING ON SCHOOL GROUNDS

The Student Council has determined it is not appropriate for students to sell or trade personal belongings, candy, toys, food, trading cards, or other items at school.

STUDENT GOVERNMENT

A Student Council provides positive leadership at Harelson. The Council is composed of two representatives from each homeroom in Grades 4, 5, and 6. An election is held early in September to determine the President, Vice-President, Secretary, Student Store Manager, and Treasurer.

TELEPHONE

Telephones are located in each classroom for emergency use only. Students must have permission from the teacher. **School events and arrangements for after-school activities need to be made before coming to school that day.**

SCIENCE FAIR

We sponsor an annual Science Fair each February/March. We also enter selected projects in the University of Arizona Science and Engineering Fair.

VISITORS AT SCHOOL

Parents are often interested in visiting school to observe their child at work with his/her group. Parents are invited and encouraged to visit their child's classes because classroom visits can be helpful to parents in understanding their child's school progress and the nature of the activities in which he/she participates.

Visitors and volunteers must adhere to governing board policies regarding background checks and fingerprinting.

- Biological parents do not need to be fingerprinted but must complete a paper background check.
- All other volunteers/visitors who are on campus during school hours must be fingerprinted. This includes step-parents, foster parents, and grandparents.

Here are some "tips" on how to get the most out of your visit:

- Arrange your visit with the teacher in advance so that appropriate arrangements may be made in the classroom. It is sometimes possible to plan the work so that the teacher can show you the situation in which you want to see your child.
- Plan to come at a time of day when the work you want to see is most likely to be going on. Mornings are usually best for primary grades.
- Choose a day other than just before a school holiday or school program.
- Sign in at the office and pick up a visitor's badge on your way to the room.
- Open the door and walk in. Knocking disturbs the children more than your presence. Either the teacher or a pupil host will greet you and give you a seat where you can hear and see the activities.
- Small children should be left at home when you are visiting and are not allowed in classrooms or the playground during the school day.
- The teacher will be occupied with the class. If you wish a personal conference, the teacher will be happy to arrange one for you after school hours.
- Try to come for several short visits, rather than one long one. A thirty minute visit is generally best. When you leave, a smile and a nod is all that is usually necessary.
- While you are visiting, look for the following points which are indicators of your child's success in school:
 - a. His/her ability to listen.
 - b. His/her independent work habits.
 - c. His/her success while working with others in group activities.
 - d. His/her interest for the assigned task.
 - e. His/her ability to follow directions.
 - f. His/her attitude toward suggestions or comments by the teacher.

We love having parents and family members volunteer and take part in the Harelson experience. **For safety and supervision reasons, we do not allow adults or parents on the playground during lunch recess.** There are no exceptions. If you wish to spend time during lunch recess with your child, you may check into the office and appropriate arrangements can be made.

Visiting "Friends" of Harelson students may not come and spend the school day with them. Due to liability concerns, we cannot accept responsibility for children visiting who are not Harelsonites.

CROSS-HARELSON LIBRARY POLICIES

Cross-Harelson Library serves the students and teachers of Cross Middle School and Harelson Elementary. The library's mission is to provide a collection of materials to implement, enrich, and support the curriculum of Cross and Harelson, and to meet the individual education/informational; 21st Century; cultural/emotional; and recreational needs of students, staff, and faculty.

Operating Hours

The library is open to Harelson students from 7:45 a.m. – 1:45 p.m. Monday, Tuesday, Thursday, and Friday. (On Wednesday, the library closes at 11:45 p.m. for Early Out.) K-3 grade students make weekly scheduled class visits to the library with their teachers for storytelling and library skill instruction. 4-6 grade students visit the library bi-monthly.

Patron Rights and Responsibilities

All students enrolled in Harelson Elementary and Cross Middle School and school staff members are patrons of the library. Patrons are expected to use the library to support academic needs and may not interfere with the right of others to meet these needs. Library Computer usage is available for school work only in compliance with district technology guidelines. In order to preserve our collection and equipment, food, beverages, and gum are not permitted in the library. Patrons will lose library privileges if not in compliance with library rules.

A student's grade level determines the number of items that can be checked out from the library, and is as follows:

Maximum Number of Items Checked Out At One Time Per Patron

Grade Level	Number of books*	Circulation Time
Kindergarten	1	1 week
1st - 3rd grade	2	1 week
4th - 6th grade	2	2 weeks

*There is a limit of one book per subject series, or author.

Books are due back on the last date stamped on the card in the pocket inside the book. If a patron is not finished with a book, he/she may **renew** it by bringing it to the library circulation desk.

If a patron has **overdue books**, he/she will not be allowed to check out any other books until the overdue item is returned or it is renewed, paid for, or replaced. Lost or damaged books are the responsibility of the students' parent or guardian, and should be replaced or paid for promptly. Refunds will be granted for any item found and returned in good condition to the library within 30 days. Students with overdue items at the end of the school year will have their yearbook withheld until overdue items are paid for, returned, or replaced.

Website

The Cross-Harelson Library maintains a website with many educational links, reading lists, and curriculum related pages and links. Please visit us at www.amphi.com/Domain/1499.

Harelson Health Office

The Health Office is located near the parking lot entrance by the Art Room.

Amphitheater **does not employ nurses** at the elementary level. If your child becomes ill or injured during school hours, first aid will be rendered. The Health aide will telephone to send home children with:

- Temperature of 100 degrees and over
- Vomiting
- Diarrhea
- Undiagnosed Rash
- Head Lice
- Serious injury

Students will also be sent home following any district policies regarding COVID-19, including exposures or illness.

The School Health Office is available to students who are sick or injured during school hours. A Health Aide who has first aid and CPR training staffs the Health Office.

There are **NO** medications provided by the Health Office. If you wish your child to receive Prescribed medications during school hours, a physician's order and pharmacy labeled bottled are required. Inhalers will be locked the Health Office unless parents have given written Permission, for their child to carry with them at all times. In order to administer over the counter medications the District requires a signed permission from the Parent. Anything given over three consecutive days will require a Physicians Order.

Current phone numbers and names of friends and family allowed to pick up your child are very important in case of emergency. Major illnesses or injuries, may require medical attention. If immediate medical care is required 911 and parents will both be called. Paramedics will transport your child to the emergency facility listed on the medical emergency card or to the nearest hospital if you cannot be reached.

During the school year, your child may have a vision or hearing screening. This is not a diagnostic test. You will be notified in writing if an outside medical evaluation is recommended.

School attendance requires up-to-date immunization records on all students. The Health aide notifies parents when boosters are required.

MEDICINES / ADMINISTERING
MEDICINES TO STUDENTS**

Under certain circumstances, when it is necessary for a student to take medicine during school hours, the District will cooperate with the family physician and the parents if the following requirements are met:

- There must be a written order from the physician stating the name of the medicine, the dosage, and the time it is to be given.
- There must be written permission from the parent to allow the school or the student to administer the medicine. Appropriate forms are available from the school office.
- The medicine must come to the school office in the prescription container or, if it is over-the-counter medication, in the original container with all warnings and directions intact.

The Governing Board directs the Superintendent to prescribe and enforce regulations and procedures for the emergency administration of auto-injectable epinephrine by a trained employee of the School District pursuant to section A.R.S. [15-157](#) and subsequent to the adoption of rules by the State Board of Education on or before January 1, 2014 pertaining to annual training in the administration of auto-injectable epinephrine, recognition of anaphylactic shock symptoms and the procedures to follow when anaphylactic shock occurs and the requirements of A.R.S. [15-203\(A\)\(40\)](#).

The Governing Board recognizes that the prescribed annual training is optional during any fiscal year in which sufficient monies are not appropriated by the legislature during that fiscal year to provide for the purchase of two (2) juvenile doses and two (2) adult doses of auto-injectable epinephrine at the school during that fiscal year.

Exceptions:

- Students who have been diagnosed with anaphylaxis may carry and self-administer emergency medications including auto-injectable epinephrine provided the pupil's name is on the prescription label, on the medication container or device and annual written documentation from the pupil's parent or guardian is provided that authorizes possession and self-administration. The student shall notify the school office secretary as soon as practicable following the use of the medication;
- For breathing disorders, handheld inhaler devices may be carried for self-administration provided the pupil's name is on the prescription label, on the medication container, or on the handheld inhaler device and annual written documentation from the pupil's parent or guardian is provided that authorizes possession and self-administration.
- Students with diabetes who have a diabetes medical management plan provided by the student's parent or guardian, signed by a licensed health professional or nurse practitioner as specified by A.R.S. [15-344.01](#), may carry appropriate medications and monitoring equipment and self-administer the medication.

District employees may volunteer to be a student's diabetes care assistant, subject to approval by the student's parent or guardian, in an emergency situation as described in [15-344.01](#). The Superintendent may develop regulations for implementing this provision.

The District reserves the right, in accordance with procedures established by the Superintendent, to circumscribe or disallow the use or administration of any medication on school premises if the threat of abuse or misuse of the medicine may pose a risk of harm to a member or members of the student population.

This policy and any related policies or amendments to such policies shall be forwarded to the District liability insurance carrier for review.

In this situation, a student must obtain both teacher and parental written consent.
 - b) If I mistakenly access inappropriate information, I will immediately tell a teacher (for a student) or my supervisor (for an employee) so they know I did not intentionally access the information.
 - c) I will transmit communications using only District approved and District managed communication systems. I will not use free, web-based mail, instant messaging, video conferencing or chat services which are not permitted on school networks unless expressly authorized.

RIDING ON SCHOOL BUSES IS A PRIVILEGE, NOT A RIGHT

If a student receives one written referral from a bus driver, he/she may receive a warning, an extra assignment, a call to parents, or a bus suspension. ON A SECOND BUS REFERRAL, THE STUDENT MUST BE SUSPENDED FROM BUS TRANSPORTATION ACCORDING TO SCHOOL BOARD POLICY. FURTHER POOR BEHAVIOR WILL MERIT LONGER SUSPENSION. If you follow the bus rules, you will be able to ride all year!

BUS TRANSPORTATION IS A PRIVILEGE THAT MAY BE REMOVED IF A STUDENT DOES NOT FOLLOW THESE SAFETY RULES.
