

MUSIC ACTIVITIES FOR ONE AND ALL!!!

From Mrs. Midgley

Please contact me at

tmidgley@amphi.com

(any week day between 8 a.m. to 4 p.m.)

Or at

548-8222

(Office Hours from 8-10 a.m. M-F or leave a message any time)

For this week, select 3 engagement activities from the list below. Mark them off as you go. Enjoy!

To turn in work, please turn in hard copies with your packet to the AMS basket at our school, Holaway, Keeling, or Rio Vista, or e- mail/ text your responses/photos of work to me at tmidgley@amphi.com or at 548-8222.

STUDENT NAME:

- **Listen to songs by your favorite artist and make a list of why you really enjoy the artist and the music.**
- **Challenge yourself to make some type of musical instrument out of materials you have on hand (cereal boxes, cans, paper towel tubes, pvc pipe, rubber bands, etc.)**
- **While watching a television show, movie, or while playing a video game, think about how the music improves your experience and what the show would be like with no music at all. Share a discussion with a friend or family member.**
- **Listen to your favorite music on I-tunes, Spotify, Youtube, etc., and then search for something new and completely different to listen to. Then write down one new song/artist you enjoyed and one you don't want to listen to again.**
- **Check out Pbskids.org/games/music or Musiclearningcommunity.com**

STUDENT NAME:

- **Make a miniature drum set out of cans and boxes of various sizes— tap away!**
- **With a friend or family member, tap out a rhythm and see if they can tap it back to you. Take turns tapping out longer and more challenging rhythms to see who can remember the most.**
- **Play hangman or other word games using only musical words, song titles, names of performers, etc.**
- **Add choreography or costuming to your favorite song—take a picture or video and send it to me!**
- **Write a short response to this prompt: Would you rather go to a live concert or watch a video of your favorite performer? Choose one and include your reasons.**
- **Check out Drumnuts.com or the Auxe studio app (with parent permission).**
