

IRONWOOD RIDGE HIGH SCHOOL

Advanced Placement

September 15, 2021

Dear Advanced Placement Students and Parents/Guardians:

Congratulations on your choice to undertake the challenges and rigors of an Advanced Placement (AP[®]) class and exam! Research consistently shows that students who successfully participate in AP classes are more successful in their future academic endeavors. Here are just a few reasons to take an AP exam:

- Students who take AP tests and courses are more likely to complete a bachelor's degree in 4 years or less, when compared to their peers.
- Most colleges in the U.S. grant credit for passing AP scores.
- Students can earn entry-level undergraduate credits before getting to college, thus getting ahead and saving money.
- Students who take the AP exam stand out to college admissions counselors as high school students who pursue rigor.

The College Board provides important information about the exam by using the address below:

<https://apstudents.collegeboard.org>

Review the website carefully as it contains important information about AP exam basics, getting ready for the exam, what students need for the exam, and additional information about the process.

Please take the time to review the *2021-22 IRHS AP Exam Registration Deadlines* and the *AP Exam Schedule* included with this letter for important deadlines. Below are also other ways you can obtain additional information regarding AP exams:

- ✓ See your AP teacher. You will need your class code to register for your AP exam online through your College Board account. Each AP exam is unique and has different testing requirements and materials needed. Your AP teacher is an invaluable resource in preparing for the exam.
- ✓ Visit The College Board's website at: <https://apstudents.collegeboard.org/home>.
- ✓ Contact Ms. Amonson, our school's AP Coordinator, using the contact information below or stop by the Curriculum and Instruction office, located in the Athletics office.

Please feel free to contact me if you have any questions or concerns about the AP exam process.
