

## Ch 5 Sec 4 / Pt 2

Answer the questions based upon the reading (start at "The House Acts on the Bill").

1) After a bill makes it out of committee, it is then placed on the House calendar to then be debated.

true  
false

2) Which of the following doesn't go with the debate process in the H of Reps?

time is evenly divided between supporters & opponents  
amendments to the bill may occur during the debate process  
a vote on each amendment proposed is not needed  
the House Rules Committee determines how much debate time will be allowed

3) Which of the following doesn't go with the voting process in the H of Reps?

a majority is needed in most cases  
the Speaker of the House is allowed to cancel one vote  
a quorum is needed to proceed  
individual votes are sometimes recorded through a roll-call vote

4) What happens to a bill when it is sent to the other house of Congress?

it may be revised  
it is sent to a committee  
hearings are held  
it is voted on for approval  
all of the above

5) Which of the following doesn't go with the filibuster?

a three-fifths vote of the Senate is needed to end it  
it is also known as "talking the bill to death"  
the debate time is unlimited  
it is used more in the House of Representatives

6) Why is a bill sent to a conference committee?

to bypass the president's approval  
to produce a "compromise bill" due to two versions of the same bill existing  
to make the bill significantly shorter  
to get the Supreme Court's input about it

7) The new version of the bill only requires one house to approve it before being sent to the president.

true  
only in times of war  
false
