Dear La Cima Families,

Communication is a vital tool in emergency situations. Should an emergency situation arise, La Cima Middle School will communicate information to you through our Parent Link phone system. Through Parent Link we are able to give vital information to you through your telephone. If you are unable to answer, the system will leave you a message. It is crucial that you keep your contact information updated with our office. You can update your phone number and email by contacting La Cima at 520-696-6742.

In the event of an emergency, specific information will be sent to you by phone. Please understand that during an emergency, La Cima staff will be unavailable to answer phone calls and questions. All information will be communicated to you through Parent Link. In the event of a school evacuation, the evacuation site will be disclosed through the Parent Link message system. As always, it will be necessary to show a photo ID and to be listed as an approved contact in our Tyler system in order to pick up a student.

Thank you for working together with us for our students!

Kind Regards,

Dr. Anne M. Dudley
