- Parents should go through the front office to check students in or out of school.
- Children are required to be on time to school and seated in their classroom by **8:15am**.
- 3 or more tardies in a semester can result in Lunch Detention, and possibly In-School Suspension.
- Students should not be at school before **7:45am** or after **3:45pm**, unless participating in a school-supervised activity.
- If your student is absent for a day, please check Schoology for missing work. If they are absent for more than a day, please also email their teacher. For each day a student is absent, they have a day to make up the missing work.

### Cell Phones

- Students may bring a cell phone to school, but may only access it before school, during lunch, or after school. Students may not access their phones during class time or passing period. The only exception is if a staff member provides permission. If a student uses their cellphone outside of the appropriate times, it may be confiscated by a staff member. Repeated cellphone violations will result in formal discipline.

### Dress Code

- The purpose of the student dress code is to encourage students to “dress for success” and to come to school properly prepared for participating in the educational process. See the “Student Code of Conduct” booklet or online, for more information.
- If a student’s attire does not follow the dress code, a staff member will ask the student to change into a P.E. uniform. If the student refuses, the parent or guardian may be notified and asked to bring appropriate attire. Disciplinary action will occur after repeated violations of the dress code.
