

# SENIOR TRIBUTES

## **Dear Senior Parents, Guardians, and Supporters:**

Can you believe it?! Your Nighthawk senior is completing their final year of high school! We have the perfect opportunity for you to gift them with a lasting memory in their 2024-25 yearbook.

Yes, it's already that time - **Senior Tributes** are upon us!

This is your chance to include a personal note to your child alongside those pictures that are just too adorable (or embarrassing) not to share. Your student's happiest moments, lifelong friendships, and family memories can be immortalized in the final pages of their senior yearbook. But, please be sure that these photos are appropriate for school! Don't miss out on this chance to show your child the support and pride you have for their all of their accomplishments!

Please consider purchasing a Senior Tribute quarter, half, or full page advertisement for your Senior Nighthawk. See the attachment for more information.
